Annual Jr.-Sr. Banquet Has Gold Rush Theme

Robert Dicus and Barbara Blauch are '49er and His Daughter, Clementine"

Robert Dicus, Merville, Ia., and Barbara Blauch, York, juniors, reigned as the miner (49er) and his daughter, Clementine, at the annual junior-senior banquet held in the parlors of the Evangelical United Brethren church. The theme was based on the "gold rush."

The guests entered the church to find themselves on the sandy Oregon Trail bound for the gold country. They passed "Boot-hill" and came upon the camp-grounds for the night, with the trail leading off the mountains.

Dr. Charles Bisset, sponsor of the junior class, gave the invocation preceding "chow". After the meal, the costumed juniors gathered around the campfire beside the trail. By the light of the moon and campfire, they held their evening get-together.

Mrs. Letha Leaming accompanied the group singing of "Home On The Range". Bob Dicus; Harold Walker, Santa Cruz, N. M.; and Harold Holton, Russell, Ia., competed in the telling of tall tales.

"Clementine" Blauch joined Wanda Miller, Russell, Kans.; and Mary Alice Riggs, Ames, Ia., in a rendition of "O My Darling, Clementine". The 49er concluded the program by sending the participants to their covered wagons.

The tables were decorated with miniature scenes of the gold rush.

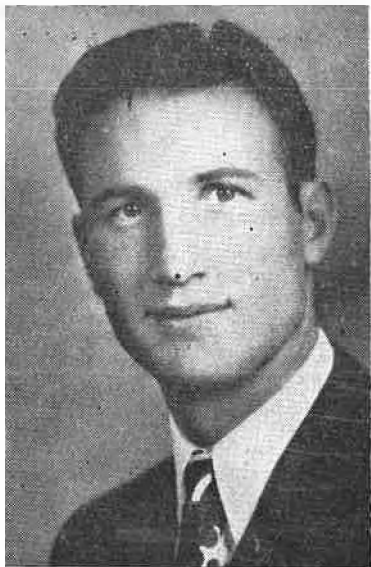

The planning committees were as follows: general chairman, Norma Jean Anderson; program, Wanda Miller, Harriet Thomas, Milton Snow, and Aully Holst; decorations, Doris Jean Canon, Ruth Weston, Barbara Blauch, Leslie Herron, and Claude McMinn; invitations, Willa Roberts; menu, Ivalee Mizell, Bob Moomsey; tickets, Cliff Rhoades; place, John Karutz; and clean-up, Duane Larkins.

The class of '49 dedicated the program to the senior class "each member of which was a priceless nugget in the search for the most valuable gems in life".

Record Crowd At Mother-Daughter Banquet May 5

Three mothers were given special recognition by Mrs. Fanny Luper, toastmistress at the annual Mother and Daughter banquet held at the College church, May 5. A record crowd of 225 women was present.

The three mothers honored were: Mrs. Grace Medsker, assistant cook at the college, the mother of the most children; Mrs. Ben Lang (Claribell Anderson, ex-'50) the mother of the youngest child present; and Mrs. Gard, age 73, the oldest mother present. All three were given bouquets of flowers.

O. K. Then! How About a Mirror?

"Lot's wife was turned into salt when she looked back", we are warned. "Besides, only the weak and cowardly do that". "But how are we to know if we've made any progress, if we can't view the past with true perspective?", we retort.

"O. K. then. How about a mirror?"
 So before we plunge into the last round of commencement activities and the busy making of plans for next year, let's whip out our mirrors and look over our shoulders into the activities of the past year.

The dream of years is actually shaping up before our eyes in the form of the new women's dormitory. This year will always be memorable for that accomplishment.

An experiment in photography and drama has been completed by the local chapter of the Alpha Psi Omega in the form of the modern dramatization of the "Prodigal Son".

The chorus who in new blue robes toured four states for a period of ten days came back with a long list of happy experiences and thrilling performances.

More recitals were presented by the expression department this year than has ever been the case before.

Repairs are to be noted all over the campus from the "Con" with its rewiring and new reception room through the "ad." building, library, and gym.

Our hopes for the next year are great but before we rush into the problems and pleasures that it will bring, we pause for a minute to look through the mirror at the past year. Now we can wrap it up and place it carefully in the File Of Years confident that it needs not be ashamed.

WILL LANA GO BACK TO JERKING SODAS?

It is very gratifying to see that the competition of good foreign movies is making the American cinema industry take stock of what is doing.

The American public, fed up with plotless musicals, eternal triangles, and movies depicting the average home in this country as a fifty room mansion, have siezed upon some of the stirring, deep movies put out by France, Italy, and England with the eagerness of a starving man faced with a banquet.

Rank's filming of Henry V and starring Lawrence Oliver has done for Shakespear what even the stage cannot do. The bard's lines and plot are made even greater with the scenery and action possible in a movie.

The Italian filming of "Shoeshine" has made the so-called "realistic" production of Hollywood look like a Pollyanna story.

The French have again shown themselves master of satire and their latest exports to this country have had U. S. audiences gasping for breath between laughs.

Such competition is wholesome and needed. Something is necessary to make the industry in this country cease treating us like children. The public will gain if the Hollywood monopoly is broken.

It was returned to York for burial in his home community. Several alumni veterans assisted in the service as pallbearers or color guard: Melvin Thompson, '34, Maurice Thompson, '39, Robert May, '40, Howard May,

Seniorities

Marvin Herrick

Marvin Herrick is a family man. He not only has a wife and two children, but also he is house-father of several boys who live in Herrick's barracks, No. 2.

Herrick is a pre-seminary student. Last semester he was president of the O. B. N. Fellowship. He is a member of Life Work Recruits, Y. M. C. A., and PALS.

"Marv" is one of a long line of Herricks to come to York college. He has a sister, Eunice, attending Y. C. now, and a cousin Prof. Bruce Herrick, of the religious education department.

Chapel Talks

Dr. Charles Bisset, head of the history department, with fifty years in the ministry as a qualification, spoke on that profession in a recent formal chapel. "Since a minister must go out into all walks of life, every truth is of advantage to him. A minister must both speak and live the truth," said Dr. Bisset.

Dr. Paul B. Porter, '15, Aurora, spoke recently in chapel on "basic beliefs." A belief in God, a belief in Christ, and a proper concept of one's self are the beliefs from which all others stem, according to Dr. Porter. "Those beliefs should issue into purity, truth, and honesty," he stated. "If your beliefs don't issue into something practical, they are dead."

Jane Martin, senior, and Kendall Martin, sophomore, were called home to attend the funeral of their aunt in Concordia, Kans., recently.

Mrs. Mary Karraker

Seniorities . . .

Versatile is an in-a-word description of Mrs. Mary Karraker, senior and wife of Dean W. J. Karraker. Mrs. Karraker is majoring in speech and dramatic art.

Serving as president of the York Business and Professional Women's Club is one of her extra-curricular activities. She is interested in photography and has taken many pictures which will appear in the 1948 Marathon.

Mrs. Karraker is also interested in music. She has appeared as soloist on several occasions.

KAMPUS KIDS . . .

"But I don't want the chicken pox," said David Leaming, aged almost three years. He had been exposed to it, but postponed getting it for awhile — then came Sunday and David broke out!

David and Judy, aged five years, are the children of the Rev. and Mrs. Vaughn F. Leaming of York. Leaming came to Y. C. as Public Relations Director last fall.

Judy goes to kindergarten. One day she told her father that she was supposed to bring something special to school to show the students. Her father gave her the skin of a boa constrictor, which he had brought from Africa. He showed her how to flip it to unroll it and to roll it up again to carry it. She went to school. After school her mother happened to see her coming home dragging the snake skin behind her down the street. Mrs. Leaming wondered how many people fainted upon seeing a small dark-haired girl playing with a huge snake.

"Dave" was born in Hospital Internacional, Ciudad Trujillo, Dominican Republic. Judy was born in Dayton, Ohio.

One day during the recent rains, David came into the house, his feet wet up to the knees. When his mother asked him what had happened, he looked up at her with innocent blue eyes and said, "I twied to step over the puddles, but I didn't twite make it."

When Judy had her tonsils out recently, she woke up in the hospital with a "Sparkle Plenty" doll by her side. Now she thinks "Sparkle" dolls come with tonsils "being" taken out".

Dave is the proud possessor of a dog, "Cus". He is so named because Dave's dad brought him from Custer county. Dave says that "Cuss's" full name is "Tuster Tippie Leaming". The conflict in "Cuss's" life is Judy's gray cat, Jonathan.

All in all, the Leamings lead a gay, rollicking life . . . and that is putting it mildly!

Charles Williams, junior of Sierra Leone, West Africa, accompanied the Rev. Vaughn Leaming to Broken Bow recently to participate in a high school day program.

Communist Production

"Does Communism produce more and better things for more people?" The points taken from a reprint of a radio broadcast by Henry J. Taylor, sponsored by General Motors, in which he answers his self-put question, are startling.

He stated that in the Moscow Journal, a communist publication, is an article that compares an electric-power generation station in Russia with one at South Amboy, N. J. The plants are identical in output but the American plant employs 51 persons and the Russian plant employs 480.

He tells of a Russian factory superintendent who visited an Italian camera factory. The Italian factory employed 1,000 workers and produced twice as many cameras as the Russian factory which employed 5,000 persons.

In the coal fields the American miners mechanically cut 90 per cent of all bituminous coal that is mined underground. Of this, 60 per cent is mechanically loaded without the miner ever touching it. Pick and shovel mining amounts to 4 per cent. In Russia nearly every ton is dug by hand.

From the above instances it would seem that the communist theory of production is not efficient or effective.

HI-LAIR-ITIES

By the Sports Editor

Your editor has been asked several times recently as to the how and why of golf and tennis scoring in college matchplay. In fact, your editor has asked several times recently as to the how and why of golf and tennis scoring until he finally came upon the information requested.

The scoring of golf in college competition in the NCC is based on individual play. Each man of the team is paired with a golfer of the opposing team with a possible three points available to the pair. One point is awarded the individual of the pair for shooting the lowest score on the most holes in the first nine holes, one point is

awarded for the same on the last nine, and one point is awarded for shooting the lowest score on the 18 hole course. Thus, in a meet between two four-man teams, a possible 12 points are available.

Tennis scoring is likewise on an individual playing basis. One point is awarded for each match played, a match consisting of a best two out of three sets and a set requiring that the victor win six games and be two games ahead of his opponent. On this basis, the usual scoring of a tennis match is six points, one for each of four singles matches, and one point for each of two doubles matches.

Panthers Press Plainsmen

FINAL EVENTS COSTLY TO YORKSTERS AS WESLEYAN WINS 75 1/2 - 60 1/2.

The Wesleyan Plainsmen nosed the York Panthers in a dual meet at Lincoln by a score of 75 1/2-60 1/2. The Panthers maintained a balance of power until the last three events of the day when the Lincolnites swept the relays and all but one point in the javelin to score 18 points and assure their margin of victory.

York's heavy scoring was secured by firsts and seconds in the mile, two mile, and 440, and a first and third in the 880. Denny Auchard again paced the Panther scoring with first in the 440, and seconds in the 220 and low hurdles. Wendy Cole, Plainsmen hurdler and broad jumper tallied three firsts to cop the overall scoring honors.

Wesleyan Plays Host To Conference Meets

PANTHERS LEAVE THIS MORNING TO BID FOR STATE HONORS

TWO DAY MEETS PROMISE EXCITING COMPETITION IN ALL EVENTS

Nebraska Wesleyan of Lincoln is playing host to the NCC teams in the conference track, tennis, and golf meets beginning today and running through tomorrow.

The York Panthers left this morning for the meet with an optimistic view toward the final outcome. Promising point-getters for Coach R. E. Tonkin are headed by record-holders Harold Walker in the two mile event, and Denny Auchard in 220 yard dash. Others which the Panthers' mentor is relying upon are Frank Medsker in the 440 and 880 yard events, Glen Shaneyfelt in the hurdles, Floyd Gifford in the pole vault, Don Watson, Cecil Rockhold, and Eugene Weaver, the distance crew which promises competition in the mile and two mile events, and Darwin Newton fast improving weight man.

All events show possibilities of great competition. In the dashes, Kearney's crew of Quillen and Hauver, Hastings' Ritchy and Goodwin, and York's Denny Auchard will battle for the honors. In the 440 it is again Kearney bidding strongly with Harvey Stroud, while Denny Auchard of York and Eggen of Doane promise to contest their bid. York appears to have the strongest bids in the

events over 440 yards. Frank Medsker has consistently beaten competition in the 880 and has turned in a top time of 2:04.5, while Walker and Watson have paced the distance men through most of the season.

In the field of tennis, York's Panthers, with defending singles champion Bob Gillespie showing the way, are highly touted to battle to the end for the championship. Worthington supporting Gillespie in the singles again this year has moved through the season without suffering a defeat and promises to bring points to the Panther attack. The York doubles team of Erfourth and Vorce have the advantage of being one of the few doubles teams in the conference to have played the entire season together.

The golfers of York, who finished fourth last year, are back intact and, bolstered by the addition of Glen Eloe at the Number One spot, are expected to better their standing of last year.

All in all, the picture from the York outlook is pretty good and all eyes should be directed toward Lincoln. Those who are able to attend should find themselves rewarded with a good showing by the Panthers in all fields of competition.

Frank is nicknamed "Kansas" in honor of his home state. A "pretheo" student, Frank is The York College version of Gil Dodds.

Frank specializes in the 440 and 880 in track. He lettered in track last year and also went out for football.

No doubt Frank's latest crew cut has a great bearing on his running speed. Frank also batches in one of the vet huts with some of his cronies.

Golfers Win 1, Lose 2

The Y. C. golfers moved into the final week of preparation for the conference meet with two victories against a single defeat. In a triangular meet York dropped to Midland 6 1/2-5 1/2 while emerging on the long end of a 11 1/2-1/2 tally over Nebraska Wesleyan. Midland, meanwhile, was smothering Wesleyan 12-0. A later journey to Lincoln, where the Panther grasscutters experienced the course they will play on today in the conference meet, netted a 14-1 victory over the Plainsmen in a dual meet.

The Panther five man squad, Glen Eloe, Bill Meehan, Dick Bason, Bob Schneider, and Aully Holst all contributed points in both victories as Bill Meehan and Dick Bason shared medalists' honors.

Literary Societies Announce Plans To Include Banquets and Picnics

PALS-ZETA BANQUET MAY 31

Plans for the annual Zeta banquet to be held at the college church on May 31 are underway, according to Harold Walker, president. Appointed committees include program, Ruth Weston, Marie Harris, Donald Erfourth, Barbara Dick, and Lester Hazen; decorations, Lois Shaneyfelt, Harvey Holbrook, Katherine Van Buren, Helen Holbrook, and Fred Vorce; place and menu, Carolyn Meeker, and Marian Meyer; tickets and invitations, Mary Anderson, Rolland Allison, and Harriet Thomas. All Zetas, present and former, are heartily invited to attend this banquet, according to Mr. Walker.

The annual Zeta picnic was held on a farm, seven miles northwest of York on May 4.

"PALS will picnic on the banks of the Blue on May 18" according to a decision at the recent PALS meeting at which the alumni entertained. Plans for the May 31 PALS banquet are to be completed at the next meeting.

Led by PALS sponsor, Prof. Al Zerwekh, the program provided laughter with Professor Bruce Herrick '44, as a retired musician telling his life story and playing "Dark Eyes"; Mrs. Vaughn Leaming (Letha Robinson, ex-'42) and Mrs. Howard Harris (Doris Robinson, ex-'45) presented a harmonica duet; Mrs. Charles Boone (Bertha Riggs '41) gave a comic example of grand opera. A serious note was provided by the Rev. Vaughn Leaming, '41 "commentator" and white robed Prof. Jean Mattingly, '42, who sang, "Jesus, Lover of My Soul".

1948 MARATHON TO BE RELEASED IN NEAR FUTURE

An "unusual theme" furnishes the nucleus for the 1948 Marathon, which, barring unforeseen events, will reach the student body in plenty of time for autographs, according to the editor. The theme will not be announced until the release of the book.

May Day Fete

iors, Mary Alice Riggs of Ames, Ia., and Ivalee Mizell of Dellvale, Kans.; sophomores, Opal Anderson of York and Rachel Langenburg of Woodruff, Kans.; and freshmen, Catherine Walker of Maize, Kans., and Helen Sanchez of Holman, N. Mex.

Mary K. Jackson, sophomore of Adrian, Mo., and president of Y. W. C. A., is maid of honor, and the president of Y. M. C. A., Richard Miller, sophomore of Ventura, Ia., will be student prince.

The theme for this year's celebration is to the "The Underwater World." The program is to be announced at a later date.

The program in former years has been quite varied. In the early years of the fete, it was very common to present an entire operetta. The program has featured at various times choral readings, short plays, figure dancing, and the May Pole which is considered traditional.

Previously held outside, the ceremony has been held indoors in later years because of uncertain weather conditions. At one time it was customary to hold programs both afternoon and evening, but because of the strain on the performers, this was shortened to one performance in the evening.

Although most May Day celebrations are held approximately May 1, York has made it a tradition to hold its May Day event the latter part of the month and during Commencement Week so that campus visitors can attend.

NOTICE

All members of the Eta Kappa Psi of the Alpha Psi Omega, who plan to attend the annual banquet on May 21 at the Hotel McCloud, please contact the secretary, Norma Jean Anderson, York College. The election for the 1948-49 season will be held.

Alpha Psi Omega Has Chapel Program And Banquet May 21

May 21 will be a busy day for members of Alpha Psi Omega, the campus affiliate of a national honorary dramatic fraternity. Chapel time on this day will be devoted to the first public showing of the colored slides filmed by the club, which tell a modern version of the prodigal son. There is a possibility that these slides may be used later for college publicity.

The night of May 21, Prof. James Koontz, of the music department, will preside as toastmaster at the fraternity's annual spring banquet. The theme of the affair, which will be held at the Hotel McCloud, will be "All the World's a Stage," and the toasts will be titled from Shakespeare's seven stages of man, as found in "As You Like It." Speakers will be Mrs. Jean Schneider, senior, York; Fred Koontz, sophomore, Des Moines, Ia.; Prof. Bruce Herrick, department of religion and philosophy; Mrs. Iona Taylor, senior, York; Marie Harris, senior, Great Falls, Mont.; Richard Riggs, senior, Ames, Ia., and President W. E. Bachman. Marie Harris is program chairman, and the general chairman is Doris Canon, junior, Albany, Ore.

"DOGPATCH STYLE" IS THEME OF RECENT COSTUME SKATE

Into a gymnasium decorated "Dogpatch Style" YC women took the dates that they had acquired for the Sadie Hawkins Day Skate last Saturday night. The program of the evening included special "skates," prizes and refreshments, consisting of "kikapoo joy juice" and "preserved turnips".

As "Daisy Mae", Verlee Brooks, guest of Ethel Brooks, senior, Cedar Rapids, Ia., was awarded the first prize for the best dressed girl, while Jane Martin, senior, Concordia, Kans., took honorable mention in that field. The best dressed man, Delmer Way, sophomore, Surprise, impersonated "Mammy Yokum". The most original vegetable corsage was judged to be that worn by Dick Miller, sophomore, Ventura, Ia. Norma Jean Anderson, junior, York, and Fred Vorce, sophomore, Brookfield, Mo., took top honors as the best dressed couple with Barbara Dick, sophomore, DuBois, and Harold Walker, junior, Santa Cruz, New Mex., running a close second.

Two York Students On Executive Board Of District "Y"

Ruth Weston, junior of York, and George Harris, freshman, York, were elected members-at-large of the District Executive Board and WSSF coordinator respectively at the recent district conference of the Y. M. C. A. and Y. W. C. A. held in Lincoln.

Miss Weston, active in many campus organizations, has been on the Y. W. C. A. cabinets of both York and Wesleyan. In her present office, her duties will include aiding in plans for the semi-annual district conferences.

Mr. Harris, president of the freshman class and of Life Work Recruits, is also a member of the Y. M. C. A. and served on the committee for the local WSSF drive this year.
