Deever, Branson Named to Sandburr Offices

**Will Assume Responsibility
at Once According
to New Council Ruling**

Lawrence Deever, sophomore of York, was named editor of the 1937-1938 Sandburr and Erwin Branson, junior of Lawrence, Kansas, was retained as business manager, announced Council President Irvin Lewis following a meeting this week. Deever will assume his new duties at once and will edit the remaining two editions this year. Branson will find little new to do for he has held the position of business manager for the past year.

Deever has been news editor of the paper for the past year. He is president of the Y. M. C. A., a past president of the Zetas, a member of Alpha Sigma Phi, and a member of the 'Y' club. He replaces Lewis, a senior, who has held the position for two years.

Branson is president of the PALS, president of the Alpha Sigma Phi, and a letter-earner in tennis.

Election of these officers was by the Student Council. A new ruling passed by the Council this year places the newly-elected heads in charge of the last two issues in order that they may gain experience with advice from the retiring editor and manager.

READINGS FEATURE CHAPEL PROGRAM

Miss Emma Mayfield, instructor in the department of speech, was presented as the chapel speaker for Thursday, April 15. She gave a group of three readings, illustrative of the various methods in dramatic interpretation. The first selection, "Patterns" by Amy Lowell, was interpreted by the voice alone. In the second reading, "At the Theater", which is anonymous, both voice and gestures were important. The concluding number, "Friday Afternoon at the Country School", also anonymous, depended almost entirely upon the actions of the speaker for its effect.

JUNIORS ARE GUESTS AT DOTY HOME

"When You're in Love" featuring Grace Moore, was the principal attraction for the junior class as they assembled at the Sun theater Friday night at seven o'clock, as the guests of Prof. and Mrs. E. I. Doty.

After the movie the class was invited to the home of Mr. and Mrs. Doty (or "loft" as Mr. Doty calls it) for refreshments of coffee, cake, and ice cream. Creston Klingman and Max Riggs offered short solos. The rest of the time was spent in group singing and games.

SOPHOMORES PLANT TREES ON CAMPUS

In accordance with the annual Arbor Day tradition which has been observed on the York College campus for 20 years, the sophomore class made plans to plant two Linden trees today. The program was to include a chapel address by Mr. C. C. Wiggins, head of the department of horticulture at the University of Nebraska Agricultural college, and a solo by Bob Gale, Joyce Kilmer's "Trees".

PANTHER CLUB GIVEN NEW CONSTITUTION

Replacing the constitution that disappeared last year, a new constitution for the Panther Club has been passed by the Student Council and awaits only the final vote of the faculty to place it in effect. The constitution is modeled after the Student Council constitution.

Prof. Keim and Wittmeyer Construct Seismograph; Study Quakes

Down in a little dirt-floored room that juts to the eastward from the physics laboratory, Prof. Chris Keim and Merle Wittmeyer have erected a seismograph. Two locks on the wooden door protect from any unnecessary disturbances this pendulum-shaped instrument for recording earthquakes. The instrument is amazingly sensitive to faint shocks, but not to nearby traffic. Machines similar to this one have registered earthquakes from 200 to 6,100 miles distant.

In the construction of the machine, Prof. Keim and Wittmeyer consulted the plans outlined in scientific mag-

azines as well as suggestions from government publications. They have used only home-made material consisting of lead, tin cans, clocks, steel guitar strings, aluminum, and concrete. The results of the painstaking accuracy as to detail and procedure have produced a machine that Mr. Keim says "awaits only some real earth shocks, possibly in California, to prove its accuracy and efficiency". The machine has been assembled only two weeks and as yet no results have been forthcoming.

As yet there are no government earthquake recording stations in Nebraska and Mr. Keim hopes to make this machine the basis of such a station in York. "Of course, it will take at least a year's work in research and observation before any attempt would be successful", said he.

Prof. Keim will present a paper on his study of the seismograph construction at the meeting of the Nebraska Academy of Sciences which convenes in Lincoln at the University of Nebraska on May 7 and 8. The Nebraska Academy of Sciences is affiliated with the American Association for the Advancement of Science. He is chairman of the physics section of the Academy.

W. A. A. CONVENTION WILL BE HELD AT OMAHA

The Woman's Athletic Association will hold its first state meeting in Omaha from April 30, to May 1. The association at the Omaha Municipal University will entertain the delegates from the other colleges in the state of Nebraska. An extensive program has been completed following the aim of the conference, which is to create interest and enthusiasm in W. A. A., and discussions will be conducted on the problems confronting each organization. Leta Yost will have charge of a discussion group on Friday afternoon, and two other members from the local organization will assist her. Each college is allowed to send two delegates and as many other members as desire to attend. Six young women from the York College association plan to go, including Miss Zelda Wakelin, the sponsor. This is the first state convention for Nebraska colleges, but the national convention is held every three years.

Dr. Harrison Explains Peace Campaign

Dr. Carter Harrison of Lawrence, Kansas, was the speaker at a special peace meeting of the Y. M. C. A. and Y. W. C. A. yesterday at 11:00. This followed the suggestion of the national organizations of Student Christian Associations that colleges all over the United States join in a peace program at this particular time.

Dr. Harrison is a speaker sent out in the interest of the Emergency Peace Campaign. The Rev. Harry Emerson Fosdick is the chairman of this campaign, and Charles P. Taft and Admiral Richard E. Byrd are members of the committee.

Dr. Harrison has come recently from a tour through Minnesota. He was brought here through the efforts of J. H. Wright, secretary of the local city Y. M. C. A.

ROSA SWEZEY IS OTTERBEIN QUEEN

Rosa Swezey, sophomore in York last year, was recently elected May Queen at Otterbein College, Westerville, Ohio according to a recent edition of the *Tan and Cardinal*, student publication. She was selected from five nominees.

Miss Swezey was prominent in college activities at York. She was president of the Panther club, a member of PALS, Y. W. C. A., and Lambda Phi.

Peace Meeting Hears Prof. E. I. Doty

Internal unrest was the theme of Professor E. I. Doty's talk in the Y. M. C. A. meeting on April 13, as the second in a series of meetings on peace. He discussed in particular the sit-down strikes and the economic disorder caused by warring labor factions.

Professor Doty placed the blame for the situation on the fact that business has become so "beautifully impersonal" that in many cases no one can be actually responsible for the welfare of the workers.

"It is your own neighbor", he said, "that owns big business, through his possession of stocks".

Thus, he continued, when a stockholder makes a demand, his demand is passed down the line and eventually the working men must suffer.

Graduation Week Schedule Given

**Begins on May 30 and
Continues Through
to the Second of June**

College officials released a schedule of commencement week activities today which is complete with the exception of the name of the speaker at the commencement activities. That release awaits only the confirmation of the invitation.

On Sunday morning, May 30, at 11:00 a. m., the anniversary program of the Christian Associations will be given at the college church with the Rev. Paul M. Herrick, Topeka, Kansas speaking. In the evening at 8:00 p. m., the Rev. G. T. Savery of Lincoln will address the audience in the baccalaureate program.

May Day as observed by the Y. W. C. A. and Y. M. C. A. is scheduled for May 31 with performances at 2:00 p. m. and 8:00 p. m.

On Tuesday, June 1, activities begin with the senior chapel at 10:00 a. m. At 5:00 p. m. the PALS and Zetas will banquet and follow this with the anniversary program at 8:15 p. m.

June 2, Wednesday, is commencement day. The program is at the United Brethren church at 10:00 a. m. At 12:00 noon the annual York College Scholars luncheon will be held. Field day is at three o'clock in the afternoon and the alumni banquet and business meeting is scheduled for 6:15 p. m. to complete the activities.

—Y. C.—

HAROLD FRIESEN WILL ENTER MEDICAL COLLEGE

Harold Friesen, junior of Henderson, has been accepted to the University of Nebraska College of Medicine at Omaha for study next year.

Friesen has been active on the York campus, serving on the Y. M. C. A. cabinet, singing in the chorus, and providing one-third of the well-known Friesen Trio.

ELECTED EDITOR

Lawrence Deever, York, was named editor of the Sandburr for next year.

Entries Were High Quality Say Contest Heads

**Gresham Dominates Music
Division; Benedict,
Rising City Score High**

Entries in the speech, commercial, and music division of the York college invitational meet held on April 17 were of very good material and workmanship, according to heads of the departments conducting the contest. Benedict did some good work in the commercial division, and Gresham carried off honors in the music contest. Winners in the first and second places in the speech division will receive \$40 on tuition and \$20 on tuition, respectively. Commercial awards are \$10, \$8, and \$5, on tuition for first, second, and third, respectively.

Winners in the various contests include:

Girls' voice: first, Gertrude Lindstrom, Gresham; second, Betty Dearing, Lushton.

Boys' voice: first, George Warner; second, Don Keester, both of Gresham.

Piano: first, John Paul Strate, Gresham; second, Mary Jane Korbel, Utica.

SPRING PLAY DROPPED

Miss Emma Mayfield has announced that the spring production of the Histrionics Club will not be presented because of the many other campus activities that have been planned for the student body during the next two months.

—Y. C.—

Recruits Continue Play Performances

"Operation at One", the Life Work Recruit play, was presented last Sunday morning at the Council church, seven miles southwest of York, of which Lyle Anderson is the pastor. In the evening it was presented in the local Congregational church, marking the thirteenth performance.

Marie Bomhoff played the part of the native Chinese worker Sunday morning, substituting for Patricia Steen, who was called home because of the illness of her father. At Council the offering was \$13.86, ten dollars of which was in a single check.

Next Sunday evening the group will go to Arborville.

Lincoln and Goehner Win Championships as Four Records Fall

Replace Kearney and Phillips; Wibbels and Knight Score Triples

Lincoln high school replaced Kearney as Class A champions of the annual York College invitational meet on the local track last Saturday, while Goehner won Class B honors to replace Phillips, the defending champions. Thirty-six Class B and thirteen Class A schools braved a dust storm and a strong north wind which greatly affected the competition.

Four new records were set, two by the one man track team, Edsel Wibbels, of Wolbach. Wibbels threw the discus one hundred fifty ft. two in. to exceed the mark of Francis of Hebron high school, made last year, by twenty-two feet. He also cast the spear one hundred eighty-three ft. 4 in. to better Knight's cast of one hundred seventy-seven ft. 10 in. in 1939. White of Grand Island, set 22.9 as the new mark for the 220 yard dash. Bill McGaffin York, former pole vault record holder, regained his laurels by clearing twelve ft. one-fourth in. McGaffin has the distinction of being the only athlete in the history of the meet to regain a record. His record of eleven ft. nine in. in 1935 was broken by Green of Fullerton in 1936 at a height of eleven ft. eleven three-fourth in.

Knight of Jackson in the Class A javelin, and Crone of Waco in the Class B 100 yard dash, were the only 1936 winners to repeat.

In an exhibition, Silvey of Doane, N. C. A. C. record holder in the 440 yard dash, was paced by Lutz and Speece running relay style. The time was comparatively slow due to the strong wind.

Results of the meet:

Class A: Lincoln 44, Grand Island 27 1-2, Hastings 26, Jackson 17 1-2, Harvard 12, York 8 9-14, College View 7 1-7, Kearney 4 1-2, David City 3 2-7, Central City 3, Crete 3, Aurora 2, and Nelson 1.

Class B: Goehner 20, Genoa 19, Ulysses 15 1-2, Wolbach 15, Waco 11, Shickley 10 1-2, Clay Center 8, Chester 8, Milford 9, Phillips 6 1-3, McCool 5, Henderson 5, Dannebrog 5, Clarks 5, Monroe 4, Diller 4, Ohiowa 3 1-3, and Polk 2.

The summary:

Panthers Easily Defeat Doane

By winning all of the distance races, and by placing in other events, the York Panthers were able to romp away from Doane at Crete by a decisive score of 76 1/2 to 56 1/2. This was the first dual contest for the two teams in a number of years.

Paul Baker of Doane, was the outstanding performer of the day, with his record of 15.2 in the 120 yard high hurdles, and his work in several other events of the meet.

The points for York were well distributed among the several men, with the distance runners accounting for most of the Panthers' scores. Max Quick's 21 feet, 8 1/2 inches in the broadjump exceeds the present York College record held by Cecil Smith at 21 feet, 7 inches.

The following are the events and the winners:

120 yard high hurdles: Baker (D) first; Smith (Y) second; and Burch (Y) third; time 15.2.

100 yard dash: Clark (D) first; Lutz (Y) second; and Ekdahl (Y) third. Time 10.3.

440 yard race: Reeves (D) and Wright (Y) tied for first; Ellis (Y) third. Time 57.

Mile: Bergen (Y) first; Blinn (Y) second; Doane placed third. Time 5:21.5.

220 yard dash: Cherry (D) first; Clark (D) second; Ekdahl (Y) third. Time 22.4.

880 yard run: Tonkin (Y) first; Leaming (Y) second; May (Y) third. Time 2:18.6.

220 low hurdles: Baker (D) first; Smith (Y) second; Burch (Y) third. Time 27.4.

Two mile run: Cobe (Y) first; Rees (Y) second; Doane placed third. Time 11:37.

880 yard relay: York 1:37.6.
Pole vault: Norton (D) first; McLaughlin and Speece, both of York, tied for second and third. 11 ft.

High jump: Smith (Y) first; Quick (Y) and Kristufek (D) tied for second and third. 5 ft. 6 1-4 in.

Discus: DePoyster (D) first, Howard (D) second; Fellers (Y) third. 112 ft. 8 1-4 in.

Broad jump: Quick (Y) first; Burch (Y) second; Norton (D) third. 21 ft. 8 1-2 in.

Shot put: Fellers (Y) first; DePoyster (D) second; Quick (Y) third. 39 ft. 11 in.

Javelin: Kristufek (D) first; Speece (Y) second. 168 ft. 10 in.

Tennis Lettermen Report

Three lettermen, Alden Marvel, William Curnutt, and Erwin Branson, head the tennis hopefuls reporting to Coach Neal Gallant this week. Due to the unsettled weather and the necessity of conditioning of the courts, daily practice has been held in the gymnasium.

Coach Gallant has scheduled several matches to date, including the N. C. A. C. Conference meet, which is to be held this year on the local courts.

Mr. Gallant has announced that J. H. Wright, local Y. M. C. A. secretary, will assist in the coaching. The schedule:

- April 29—York at Nebraska Central.
- April 30—Wesleyan at York.
- May 4—Hastings at York.
- May 11—York at Wesleyan.
- May 14—York at Hastings.
- May 22—Conference meet at York.

WOMEN PLAN SWIMMING MEET

Tennis and swimming are the leading activities in the W. A. A. at the present time. In the near future the women in the organization will participate in a swimming tournament at the Y. M. C. A. A few of the possible contestants are: Leta Yost, Betty "Ann" Owen, Mary Margaret du Rand, and Vesta Gross.

The tennis courts and weather are encouraging the tennis addicts to begin practice for the tennis tournaments that will come within the next few months.

They won't wrinkle... and they couldn't, even if they wanted to. Botany ties give you class, plus durability.—Russ Williams.

Newly-Elected Heads Assume Duties Now

It is with pleasure that we relinquish editorial duties to one who is as well qualified to assume them as is Lawrence Deever. His conscientious effort coupled with past experience as news editor aptly places him in a favorable light.

The student council ruling passed this year places upon the him and the business manager the responsibility of issuing the last two editions of the paper. It seems that this is a decided improvement in procedure over that employed in previous years. The new officials will gain experience in actual publication and will be able to consult the retiring heads.

Previous practice found the editor floundering around about the second week in September, vainly trying to put all the pieces together and get a composite picture of journalistic procedure. That shouldn't be necessary under the new system.

And so, we give you the new editor and the same business manager. The latter isn't new at all for he has capably filled the position this past year. Both are well qualified for their jobs.

—Y. C.

We Near the End

The time is fast drawing to a close. As we sit down to the faithful typewriter to grind out what will probably be our last college editorial, it is striking that no regrets flood our memory.

We have, at times, read editorials and documents where the author fondly recalls all of the happy memories of the past few years and begins to regret that it is all too soon over. He expounds somewhat at length upon the dearness of the 'old halls', the inspiration provided by the faculty, and the feeling of comradeship with other students. He looks into a rosy future and sees the world waiting for the graduate with open arms and a soft position.

We aren't inclined to do that this morning. We know that the world hasn't been eagerly standing semi-idle until we could get out into it and provide the driving force to the wheels. We know that the positions are already pretty well-filled and that we'll be looking for a job, not a position.

But, then, we've filled jobs before. We're doing it now. There is not to be any definite abysmal gap which we must bridge after commencement. We'll go on working, perhaps in a bit different line, but nevertheless, working.

We're inclined to agree with Kilpatrick that education is life. For these past four years, we've been living. We've done a lot of things and had some fine experiences.

We have been inspired by a faculty which faithfully performs the duties falling to it. We do have a fondness for the halls which have been,

for nearly 50 years, a center of United Brethren education.

But we won't grow sentimental about the whole thing. We've been around about long enough. The faculty will have plenty to do with other eager youths as soon as we get out. Other classes will graduate next year and the year after that and on down the line. The college will continue as a fine educational center. We'll find places to fit in somewhere in order that we might do our share of good.

For that is life.

SUCH IS LIFE

I'll not confer with sorrow
Till to-morrow;
But joy shall have her way
This very day.

—T. B. Aldrich.

Collegiate Life Savers—

Interest in the course offered in life saving grows. The class this quarter is the largest in the school's history. The course consists of twelve lessons, in which eighteen events must be mastered in order to pass the state examination. Events include: four different breaks, three methods of approach, artificial respiration, disrobing and swimming 100 yards; an additional requirement is a written essay on artificial respiration.—The Eagle, Chadron.

To love and win is the best thing; to love and lose the next best.—W. M. Thackeray.

And Then—

There's a certain staff member who wants to see all copy before it's printed because the paper goes to California. Hope he misses this.

Are You an N. Y. A. Worker?

A survey made by the administration reveals that the N. Y. A. students at our school average three-tenths of one per cent higher, scholastically, than the rest of the student body.—Hermes, Dana.

Chorus Trip—

Now the chorus trip is history—only a few members didn't want to make history. They just wanted to make—music.

There is only one way to be happy and that is to make somebody else so.—Sidney Smith.

Proposed Slogan—

We all remember this famous quotation from Lincoln—"With charity for all and malice toward none." As a proposed slogan for the Register let us give this: "With malice for all and charity towards none." Poor Register. It's about gone, I guess.

—Y. C.

Sports by Burch

The N. C. A. C. Tennis Tournament this year has been awarded to York. It will be an all-day event on May 22. A new singles champion is sure to be crowned, for co-champions Hook and Brandt of Midland were lost by graduation. Barrett and Powell of Wesleyan will be on hand to defend their doubles title.

Clarke Adams, former York College athlete of 1930 and 1931, was a member of the Kearney track squad to compete here last Friday. Adams made a creditable showing, placing second in the low hurdles, third in the 100 yard dash, and running on the winning Relay team.

Led by Cecil Smith, star hurdler, the York College track and field team threatens Hastings and Doane for the conference title this year. A comparison in the strength of the three schools will be shown, when the Panthers journey to Hastings, May 7, to participate with the Broncs and the Tigers. Hastings has won the championship for the past nine years.

Track men are proud of the new equipment received lately. One member said, "When we get the white honor sweaters, for winning the conference championship, we will be completely satisfied".

Jarvis Cobe, York two miler, finished ahead of all the N. C. A. C. entries in his event last week at the Hastings Relays. Although Cobe did not place, the event being won by Massie of Western Union College in 10.17, he is a sure threat in the Conference meet.

Rumors have been going around that the N. C. A. C. Athletic Association is planning a re-organization. The proposed union will include Hastings, Doane, Midland, Wesleyan, Wayne Teachers, and Peru Teachers.

At least that is the idea of certain league officials. It leaves York out in the cold and a conference which is little better than the present one as far as the football domination of Hastings is concerned. Wayne did not have an exceptionally brilliant season in 1936 and 'tis rumored that Peru won nary a game. Why, then, that type of reorganization?

A better suggestion might include Nebraska Wesleyan, Midland, Doane, Peru, and York for one conference and let Hastings, Kearney, and Wayne tie up with certain Kansas or Iowa schools which seem to favor that type of a proposal. Chadron, because of its inaccessibility, might line up with colleges closer home.

At any rate, York must not be left by the wayside. If there are to be any conference revisions, let's see that they are constructive as far as the athletic relationships of the Nebraska colleges are concerned and as far as York college is concerned.

Did you know that Wubbles' 150 foot throw of the discus bettered by about 6 feet the throw that won first place for Sam Francis in the Kansas relays.

Howard Wright Gets Honorary Membership

Membership in Sigma Xi, national honorary science fraternity was awarded to J. Howard Wright, an arts college senior at the University of Nebraska and former York College student.

Wright has distinguished himself in physics and mathematics. Only those who rank in the upper ten per cent of the graduating class and who have made an outstanding record in some scientific study are considered for Sigma Xi membership.

Wright spent his first two years at York College where he was active in campus affairs. He was president of

the Zeta Literary Society, the Y. M. C. A. and was a member of the "Y" club.

IOWA SUPERINTENDENT SPEAKS IN CHAPEL

Basing his talk on what was to him the saddest part of scripture, verses 15-18 of chapter 21 of St. John's gospel, the Rev. G. E. McCannon of the Iowa conference, brought to the minds of York College students the difference between the term "love" as Jesus used it, and the way his disciples used it.

Jesus used the term as it really should be used, but His disciples were able to use it only as meaning "friendly." The Rev. Mr. McCannon said further that Jesus has been compelled to turn His churches into hands of people who demonstrate that they are only "friendly" to Him, and that each individual should search his own heart to see is He is the center of his affection.

Dean Charles Amadon opened the program with a solo, "The Fool Hath Said There is No God."

HASTINGS COMES FOR TRACK MEET TODAY

Hastings College is scheduled to appear on the York track this afternoon at 3:00. Possibility of a three way meet seemed strong early this week as "Pop" Klein of Kearney indicated that he might bring his squad along, also.

No indication of the strength of the Hastings squad has as yet been obtained but the Antelopes and the York squad had a close meet a short time ago.

The race between Paul Cross, Hastings' two-miler and captain, and Jarvis Cobe, York's best in the long distance, will take on a new significance if Rapp of Kearney gets into the picture.

York Is Assured Representative to Africa

Leads Other Colleges In Contributions According to S. G. Zeigler

With one hundred and twenty-four dollars already sent in to the Foreign Missionary Society of the United Brethren church, York College is leading so far this year in the contest to determine what institution will send a student teacher to Sierra Leone in June, 1938, for a two year term.

Vaughn Leaming, local chairman of the project, reports that more money is on hand and that other prospects indicate that the fund will reach well over one hundred and fifty dollars. S. G. Zeigler, general secretary of the Foreign Missionary Society, has advised Leaming that this is far in advance of contributions made by the other church colleges. The rules states that the student representative shall be selected from the college contributing the highest amount per capita to the fund during the two years prior to the departure of the representative.

The total amount from York during this period has been \$218.50, \$94.50 of which was raised last year. This may be compared to the \$68 which the college contributed during the first four years the project was being conducted. The project has been sponsored on this campus by the Life Work Recruits, the Y. W. C. A., and the Y. M. C. A. During the past two years the Recruits have presented missionary plays over the state taking the offerings received for this fund.

The first student teacher to be chosen was Miss Helen Cole of Otterbein College, who has been a visitor on the local campus. The present representative is Chester Goodman from Bonebrake Theological Seminary, who will return to America when his successor sails in June, 1938.

The regulations governing the project suggest that the representative be a graduate of college or over twenty-one years of age. York's choice will be made next fall, probably by a faculty committee.

News of Alumni

By J. C. Morgan, alumni historian
Among the delegates, visitors, and speakers at the recent Conference on Christian Education were many graduates of former United Brethren colleges now merged with York. Rev. and Mrs. T. A. Reiser of Colorado were students at Lane University. Dr. C. V. Priddle, Dr. C. E. Ashcraft, Dr. O. T. Deever, and Rev. H. A. Dierdorf attended both Lane University and Campbell College. Rev. Geo. E. Jemmlson was a student at Campbell College. Dr. Stanley B. Williams attended both Campbell and Kansas City University. Rev. A. V. Howland and Rev. W. R. Holt were students at Kansas City University. Rev. Fred Riggs, Rev. Hal Riggs, Rev. G. W. Emerson, Rev. Paul Clark, and Dr. C. L. Young are former students of Leander Clark College. These names (and there are probably others that are not included) remind us how potent are these schools of former days, and although they are not now actually existent, they live on in the lives, leadership, and influence of their graduates and students.

Supt. W. E. Thompson, '26, of Osceola has been elected to the superintendency of the Lyons schools.

Jean Haner, '32, of York, a student at the Eyanston, Illinois hospital, has been selected to enter the Boston Memorial hospital for three months' training in pediatrics. Miss Haner will graduate from Evanston in February of 1938.

Miss Wilhelmina Feemster, '31, of Indiana Central College, Indianapolis, Indiana, recently made an extended trip into the southern states of Tennessee and Kentucky, visiting many historic places.

Mr. and Mrs. Ted Peterson, '31, are the parents of a son born on Wed-

Miscellany

Ormal Tack, '36, of Elgin coached seven pupils to a superior rating in the recent District contest of that vicinity.

Donald Varcoe '37, who is now coaching at Ong, spent the last week-end visiting friends in York.

Mr. and Mrs. H. H. Lease and daughters, Miriam and Helen, of Sumner, Iowa, visited Lula and La Velle Lease in York from April 10, until April 13.

Audrey Black, ex-38, who is now teaching in Kinsley, Kansas, visited in York on April 10 and 11.

Mary Margaret du Rand was the guest of Sally Rasp in her home in Gresham last week-end.

Patricia Steen and Helen Johnson are visiting this week-end in Patricia's home in Thedford.

Dulcie Hoofnagle '39 visited with her parents in Perry, Iowa, from April 8 until April 13.

Members of the York Music Club were entertained last week by Miss Emma Mayfield, head of the college speech department, with a group of readings. The group contained three selections: "Patterns" by Amy Lowell, "At the Theater", and "Friday Afternoon at the Country School". The authors of the latter two are anonymous.

Mrs. C. C. Peterson (Bessie Casebeer, '08) and her daughter, Norma Peterson, ex'34, of Aurora visited in York on April 10.

MISS PERRY PRESENTED IN PIANO RECITAL

Miss Betty Perry, piano student of Miss Eda Rankin, and senior at York High School, was presented in a piano recital at the United Brethren church on Monday, April 19, at 8:15 o'clock. The program was as follows:

Prelude in E Flat Minor.....Bach
Prelude and Fugue in C Minor.....Bach
Sonata in E Minor.....Grieg
Allegro

By the Sea.....Augusta Holmes
Elfe.....Philipp
Valse Triste.....Sibelius
En Route.....Palmgren

Concerto in D. Minor.....Mozart
Allegro
Romanze
Rondo
(Miss Rankin at second piano)

nesday, April 14.

Mr. and Mrs. Stanley Greene (Camille Pachner, '27) of Norfolk, Va., were campus visitors last week.

Mr. Ormal Tack, '36, has been reelected as music supervisor at Elgin.

Willard Young, former student, is now private secretary to H. J. Heinz, the president of the "57 Varieties" canning company. His brother, Willis, is now on a newspaper staff in Detroit.

Y. W. C. A. Hears Miss Thompson

Miss Anna J. Thompson was the speaker at the Young Women's Christian Association meeting on the morning of Tuesday, April 13.

Miss Thompson spoke on "How One Should Try to Interest Girls in Coming to York College." "Students", she said, "are the best advertisers for the college. When advertising the college make no misleading statements; be fair; play up the best points; and make the girl feel that she is welcome to enjoy the privileges of the college with you."

In the absence of President Dorothy Riggs, Esther Thornton presided. Special music was furnished by the ERO trio which played "Forest Flowers" and "Moment Musical". Marie Bomhoff led devotions.
