James A. Farley, junior of Rush, Colorado, was reelected president of the Y. M. C. A. in the regular meeting on January 31. Farley was elected to fill the unexpired term of Irvin Wall who did not return to college last fall. Farley was also recently chosen to head the PALS.

Faculty Men Act As Hosts To Schoolmasters'

"Cricket On The Hearth" Given by Histrionic Club As Part of Entertainment

A dinner in the college dining hall, followed by music by college students, and a dramatization of "Cricket on the Hearth", in the college auditorium, were included on the program given for the Four-county Schoolmasters' Club and their wives Monday evening, when York College faculty men acted as hosts.

For the first time in the Club's history the ladies were invited, thus making almost 100 guests at the dinner. The music after the dinner was presented by the college male quartet composed of Gerald Dierdorff, Wayne Dahlstedt, Junior Heatherington, and Robert Gale, with Alden Marvel accompanying, and the girls' trio, whose members are Lodema Frieden, Marjorie Cook, and Lois Miller, with Hazel Emma Morgan at the piano. The speakers were President D. E. Weidler of York College, and E. A. Levitt, a member of the Board of Trustees of York College.

"Cricket on the Hearth", a three-act dramatization of Charles Dickens' novel written by Albert Smith, was presented by the Histrionic Club at 8:00. Civic clubs and other groups invited to the second part of the entertainment included: The Rotary Club and their wives; the Kiwanis Club and wives; the Business and Professional Women's Club and their husbands; the ministers and wives of York; the Exchange Club and wives; the teachers in the York public school system; and the York College faculty.

The four counties represented by the Schoolmasters are Seward, Polk, Butler, and York. The organization is in its twelfth year.

PALS SELECT FARLEY AS CHIEF EXECUTIVE

James Farley, junior of Rush, Colorado, was elected president of the PALS at the mid-year election on February 3. Farley has formerly been active as a member of the PALS cabinet. He is also president of the college Y. M. C. A. having recently been reelected for another year.

Further results of the election are as follows: Vice-president, Dorothy Riggs, senior, Merville, Iowa; secretary, Bertha Riggs, sophomore, Merville, Iowa; treasurer, Mary Lue Warner, Kalispell, Montana; social chairman, Dortha Murfin, freshman, Albia, Iowa; chorister, Bernard Cook, senior, Fort Scott, Kansas; pianist, Gerald Dierdorff, sophomore, Geneva; trustees, Ruth Brandstetter, freshman, Muscatine, Iowa; Russell Dunlop, sophomore, Beaver, Iowa; Al Zerwekh, freshman, Des Moines, Iowa; Gladys Mohler, sophomore, Puerto Rico; and Arline Beason, freshman, Circle, Montana; sergeant, Hugh Pursel, sophomore, Bradshaw; and sponsor, Prof. E. I. Doty.

Installation of the new officers took place at the regular meeting on February 8.

Christian Associations Make Plans For Roller Skating in College Gym

Social Project Will Unite Entire Student Body In Wholesome Recreational Activity

Roller skating will begin in the college gymnasium in about two weeks according to reports from the Y. M.-Y. W. committee that initiated the project. By the first of this week 62 people had subscribed one dollar apiece to help make the down payment on the skates.

The purpose of the skating project is to unite the student body in a social way on the campus. The suggestion first came from President D. E. Weidler that such a plan might work, not in competition with commercial amusements but to give students a pleasant and worthwhile activity during such recreation periods as are not otherwise filled with activities. Roller skating has worked on other campuses with success and appears to be the best social activity that it is possible to inaugurate here. The immediate example is Indiana Central College of Indianapolis, a sister United Brethren college with a similar situation to that found in York.

After the suggestion by the president and the boosting of the Christian associations, the plan was approved by the coach, the athletic board, the faculty, the student council, and finally by the student body by a 3-1 vote. No insurmountable difficulties have yet arisen. Proof has been established that no permanent damage to the basketball floor will result. The glossy finish will be worn off but the idea calls for a no-skate season for two months during basketball season every year. Skating will begin after the current season and will continue until next Christmas when the floor will be conditioned for basketball. If after several years the floor must be resurfaced, it can be done at reasonable expense.

The project committee is completing financial arrangements, and negotiations have begun for the purchase of the skates. The plan as offered to the roller skate company will be the down payment of fifty dollars, an additional payment of fifty dollars on the first of May, and the payment of the rest of the amount which will be about fifty dollars, on November 1. The necessity of raising \$100 by the end of this school year, faces the committee. The subscriptions so far amount to \$62. The dollar that each person has paid will entitle him to \$1.20 in trade. After tomorrow this special price will be withdrawn and regular rates of 15c for each single session will be in effect. Two sessions will be conducted each evening on the Friday and Saturday evenings when there is no conflicting event. Skating will begin at 7:00 and will continue until 8:30. The second session will begin at about 8:45 and last until 10:15. The rates for the entire evening will be 25c and will include both sessions.

Realizing the recreational and social values of such a use of the college gymnasium, the administration has offered the use of the building and will furnish the heat and lights until such time as the skates are paid for and the proceeds exceed the expense.

All that remains to be done before the first "skate" is announced is the purchase of the skates, the building of a cabinet in the gymnasium in which to keep them, and the sprinkling of a special preparation on the floor. Tentative rules governing its management are being formulated. The governing body will be a co-chairman from the Y. M. C. A. and one from the Y. M. C. A., and two committeemen from each organization. These six people will be chosen the second week of each semester in a joint meeting of the association cabinets.

Here are opinions of faculty members and students who are interested in the project:

James Farley, Y. M. C. A. president: I'm for it if the benefits outweigh any objections. We as a committee are trying to clear up all objections that can be foreseen. Personally, I feel that it will be a popular activity and a financial success.

Pres. D. E. Weidler: It is a

"Life In Brief" Is Theme of Mid-Year Jolly-Up

Jack Miller Sketches As Classes And Faculty Contribute To Program

Jack Miller's "Magic Mirror" gave glimpses of "York College Life in Brief" which was the theme of the second semester "Jolly Up" held in the college gymnasium, Friday evening, February 10. Ruth Brandstetter, freshman, acted as mistress of ceremonies to introduce the program according to class affiliation.

Following a "welcome" talk by Jim Farley, president of the Y. M. C. A., the faculty was represented by vocal solos from Deau Amadon who played his own accompaniment. The Freshman class presented numbers by the freshman trio composed of Arline Beason, Rose Mary McCormick, and Doris Landon; a reading by Bill White; a tap dance by Frances Bullock; and vocal solos by Octavio Colon. Helen Lumbus as a representative from the sophomore class gave a reading. Lois Miller and Wayne Dahlstedt contributed marimba and vocal solos for the junior class. Hazel Emma Morgan, senior, played a piano solo. Vocal solos were given by Bob Gale, Ocie Moran, and Bernard Cook, all of the senior class. The Co-ed trio composed of Lois Miller, Marjorie Cook, and Lodema Frieden sang several numbers to represent the student body. The concluding number was a vocal solo by Elsie Beebe of the York Junior High School, representing the extra-curricular activities. For each group of numbers Jack Miller drew appropriate sketches.

The program took place in front of screens carrying signs such as: "Campus", "Public Screaming", "Woo-ology", "Gee-ology", "Sigh-ology", and others. The public address equipment recently purchased by the college served to amplify the vocal numbers. Radio music was amplified in this manner during the basketball

EDUCATION DAY OBSERVED IN COLLEGE CHURCH SUNDAY

Education Day was commemorated in the York College United Brethren Church by special morning and evening services on Sunday, February 12.

"Education and religion combined is the only safe character insurance", stated Mr. E. A. Levitt, prominent York business man, in his address on Sunday morning. In the evening the Rev. Maude Mann, of York, spoke on "The Challenge of Today".

Education Day is an occasion observed annually throughout the United Brethren denomination. At this time Christian education is emphasized, giving special recognition to the church colleges through publicity and gifts.

Mr. E. A. Levitt is manager of the local E. S. Clarke Lumber and Coal company and is also a member of the York College executive committee. The Rev. Maude Mann is the pastor the Council United Brethren church near York.

MORE INTEREST IN PUBLIC AFFAIRS SHOULD BE COLLEGE STUDENTS' AIM

As students of higher learning living in a country where public opinion is desired and encouraged, are we sufficiently eager for an understanding of political, national, and international events? As seekers of the truth and of religious and cultural enlightenment do we pass by the latest bill of Congress, content with abstract theories gleaned from political and history text-books?

Many of us will have to answer in the affirmative. Our excuse is that these things do not directly touch our lives, and that we are more interested in Friday night's basketball game. Of course the game deserves a place in college life, but not to such an extent that more important adult interests are pushed out. Paul said, "When I was a child I spake as a child, understood as a child, thought as a child, but when I became a man I put away childish things."

In a very few years, if we have not done so already, we will take an active part in our government. But shall we be fully prepared? Will our vote be the result of careful study and knowledge or will it be merely a check mark?

Political and foreign relations groups should have a part in extra-curricular activities. This would be one method whereby enthusiasm for current topics might be stimulated and tolerance for one another's party and views practiced.

worthwhile activity in which all students may participate. It meets a social and recreational need on the campus. It has worked elsewhere with success and general favor and should be a constructive contribution to the modern call for worthy leisure time activity.

Neal Gallant, coach: It's a good thing. I think it will be a fine recreation for the student body.

Lois Miller, Y. W. C. A. president: This project is one which has been given considerable thought and should prove to be an unbuilding social activity on the campus.

Barney Rees, student council president: I think skating will be a very fine thing for the college. I am for it if it will not damage the floor and will not be a financial handicap to the institution.

Dr. Charles Bisset, chairman, athletic board: If it can be done without any damage to the gym, I'm for it.

Bill White: Roller skating is truly an invigorating and pleasant sport and I feel it will be a successful project. The more diversified activities on the campus, the better, I say.

President And Quartet Make Week-End Trip

President D. E. Weidler and the college male quartet journeyed to the mid-western part of the state last Sunday to take part in Education Day services. The quartet is composed of Gerald Dierdorff, Wayne Dahlstedt, Junior Heatherington, and Bob Gale, with Alden Marvel as accompanist.

Appearing at the Merna U. B. church in the morning and at Broken Bow in the afternoon, the president spoke on the importance of Christian education. At night, in the union service at Broken Bow, he delivered an address on Abraham Lincoln. The quartet presented several numbers at each service.

On the following morning, the group presented a half hour musical program at the Broken Bow high school.

Hollerface Hoarse's recent book "The Evening Breeze" is very thought provoking, but it wasn't until your editor was into the third chapter that he realized that it was written in Latin.

The report was so uninteresting that it was thought best to discard it.

NEWS SECTION . . .

Leviticus Gives Warning . . .
Leviticus is not in the habit of permitting his personal thoughts to permeate his straight news stories, but an expression of anger is heartily fitting when he writes that somebody tore up the Sandburr room again. As you, dear readers, know, the Sandburr and the Reg-

ister occupy the same room, and Leviticus takes this shifting of chairs as a personal affront. A reporter said it was for the sake of some Histrionic Club play. Leviticus thinks somebody is trying to stop publication of the Register. Do not provoke the wrath of Leviticus!

CARLSEN RIDES AGAIN .

Somehow the discussion in vertebrate zoology class shifted to eating and putting on weight. Professor Noll, according to Penelope, beamed shyly from behind his desk and committed himself. "I weigh between 185 and 190 now." Fred Carlsen looked up from his front row seat and surveyed Mr. Noll incredulously. A grin started at one corner of his mouth and spread to the other, moved up past his nose and lifted his eyebrows. The wrinkles of perplexity appeared in the famous Carlsen forehead. He said, "Gee Whiz!"

FRESHMEN HAVE WIT . .

As freshmen, our wits are sharp, our jokes coated with blissful and naive humor. Leviticus, who has spent six years in college already—because of his love for it, of course—was profoundly moved the other day when he had the opportunity to read the following note left by a college freshman for his roommate who had gone

to the movies: "If I'm studying when you get back wake me up." Oh, the wit of ing when you get back, wake youth.

IT COSTS NO MORE . . .

Leviticus is originating what he believes will be a helpful service to our readers. This service will come with every Register subscription. It will include the insertion of public notices which our dear readers may wish to place in these columns. The first item that was brought to the attention of Leviticus was the plight of Regina Heatherington when she received a box of chocolate covered cherries. She doesn't like them. She wants the fact brought to the attention of the donor, her secret chum, the identity of whom she does not know. The difficulty was alleviated by dispatching Scotty to take care of said chocolates. But don't do it again whoever you are or Leviticus will be forced to take care of it in person.

POMES . . .

While going through an anthology of college pomes, this was found. Please memorize for convenience.

Class Organized In Short Wave Radio

A new non-credit class has been organized for all persons who are interested in short wave radio. The class will meet in the Physics department and is under the direction of Alden Marvel, a senior, and licensed operator.

The purpose of the course is to prepare students to take the government examination which is necessary before one may become a licensed amateur short wave radio operator. The plans are to learn the Continental Code and practice giving and receiving code. When the students become more advanced they will build sets of their own to send and to receive code.

According to Marvel all those interested in such a course should see him at once. Those who have already enrolled are Everette Berry, Paul McLaughlin, William Carter, Octavio Colon, Warren Clark, Al Zerwekh, Clarence Miller, Alden Markel, Leroy Hoffman, Homer Meserve, Robert McCandless, and Floyd Chenoweth.

Panthers Trail Plainsmen 42-30

Drop Ragged Tilt On Home Court Tuesday

Paced by Elbert Souders, the Wesleyan Plainsmen captured their second conference contest with the Panthers Tuesday night on the York court, by a score of 42-30.

Play was listless throughout the first three quarters of the game and bad passes were frequent on the part of both teams. York drew first blood as Saindon poured in two fast field goals before the Plainsmen got under way. They did just that, however, and ran the count to 13-10 in their favor by the end of the first quarter. Garnering six points in the second quarter to York's three, Wesleyan led at the start of the second half 19-13. By the end of the third quarter the margin was 28-20. Four minutes later the Plainsmen led by eleven points but at that point the Panthers began a rally that brought them within five points of the winners. Only then did the scrap turn into an interesting ball game. In the final two minutes, however, the Plainsmen flipped in seven points, while holding York scoreless.

Souders led the visitors' attack with 15 points. Saindon was high for York with 10. Feaster of York and Burroughs of Wesleyan each collected 9 points.

Panthers Lose Two In A Row

Against strong competition in Wayne Teachers College and Western Union of Lemars, Iowa, the Panthers registered two defeats in as many starts on the longest trip of the season on February 3 and 4. The Wildcats of Wayne turned back the Blue and White by a score of 34-25 while Western Union won by a 45-35 margin.

The Panthers held a 20-18 lead against Wayne as the fourth quarter opened but the Wildcats turned on the steam to pile up a nine point lead and win the game. Against Western Union the Gallantmen were behind 21-12 at the half and while they played better basketball during the second half they were unable to overcome the early W. U. lead. Peters led the York scoring in the latter game making eight points.

In observance of Christian Endeavor Day, the young people of the local United Brethren Church assumed charge of the entire evening service on Sunday, February 5. Christian Endeavor Day is an occasion recognized annually by all societies throughout the nation.

The theme of the program was "Christ For Everyone" and was presented by Bernard Cook, president of the Senior Christian Endeavor Society. Warren Neal, spoke on "Christ For Others", and Vernon Overturf chose the subject "Christ For Myself". James Farley and David Weidler led in prayer, and Fred Novak led the responsive reading. The scripture was read by Beth Mohler, and by Enola Lassell. Special music was offered by Miss Doris Landon who played a violin solo, and by a mixed quartet composed of Marjorie Cook, Lois Miller, Jerry Dierdorff and Junior Heatherington.

MUSIC BRIEFS

Lambda Phi, honorary piano society of York College now lists five artists: Lois Miller, Marjorie Cook, Leona Berry, Hazel Emma Morgan, and Alden Marvel. On January 20, the active members will have a banquet and initiation for the three new members: Esther Thornton, Catherine Woolver, and Mattie Pierce.

The Coed's trio and the Dukes' quartet both sang at the Schoolmaster's Club meeting held at the College last Monday.

Mrs. Raymond Wochner has been selected to fill the vacancy left by Mrs. Clark as instructor in elementary music methods at York College. Mrs. Clark has been granted a leave of absence for the remainder of this year.

The freshman girls' trio furnished the music for the Westminster circle of the Presbyterian church held Thursday, February 2.

Broncos Beat York By Three Points

Take Second Encounter At Hastings Saturday

By Jerry Dierdorff

With the spectators eating their cuticles and tearing their hair, the Hastings Broncos squeezed out a 47-44 victory over the York College Panthers at Hastings last Saturday night.

York fans felt the biggest thrill of the season when Quick's free throw tied the count at 41-41 with four minutes left in the game. Each of the thirty or more York

Richendifer and the consistent support of McLaughlin, Grant, and Trupp proved too much for the York quintet despite the fact that they displayed more fight and flashy ball-playing than witnessed in most of the games this season. Leading several times in the first half and seldom lagging by more than two or three points behind their opponents, the Panthers nipped at the throats of the Broncos until the closing bell.

McLaughlin's two baskets gave the Broncos an early lead but Quick and Feaster took the offense to assume the lead by one point. In that quarter the score was tied at 5 all and at 7 all. Just before the quarter Dutcher shoved Hastings ahead with a gift toss. York again took over the lead in the second quarter but Richendifer dropped in two points and Brubaker made two more to lead 20-16 at the half.

The first five minutes of the second half was all Trupp for Hastings who made it 27-19 for the winners. In the next five minutes J. Haberman and Feaster made it once more a ball game and the score at the third quarter was 31-28. Richendifer, Bronco forward, contributed ten points in the final period but the Panthers matched his speed and knotted the count with four minutes left.

Working with outstanding precision, John Haberman and Max Quick led the attack for York while Feaster and Saindon lent their consistent and able assistance. High point man for Hastings was Richendifer with 17 tallies; for York J. Haberman with 12. Inability to make free throws spelled defeat for the Panthers as they could cash in on only 10 out of 23 chances. Hastings collected on 11 out of 16 attempts.
