Church Sets Date Of Education Day As Sunday, Feb. 12

Area Plans Observance; Sandburr Will Print Special Issue

Education Day in the United Brethren church will be observed on Sunday, February 12. This is a denomination-wide program which makes the college a center of interest of the church.

President D. E. Weidler says that the purpose of the observance is to stress the importance of education under church control or inspiration. Education Day is the gospel of Christian education. Featuring student enlistment, it presents a challenge to young people to go to college for their individual good, for the good of the church, and for the good of the nation.

Each of the areas of the United Brethren denomination emphasizes the value of the particular institution of that area. York College is to be fostered by the South-west area which consists of six conferences — Iowa, Nebraska, Kansas, Oklahoma, Missouri, and Colorado-New Mexico. Churches in this area will help support the college by a special Education Day offering amounting to one-fourth their benevolence quota.

The Sandburr will appear in a special issue on February 2, featuring Education Day.

PALS Meet For Short Program

The PALS met for a short program on Thursday, January 5, preceding the taffy pull. The program was composed of: a vocal solo by Vayle Leaming; a chalk talk by Jack Miller; and an extemporaneous talk, "Why I'd Rather Pull Taffy than Teeth", by Marie Pettit.

In the business meeting which followed, the PALS president, Orvis McNurlin, appointed a nominating committee for the second semester election.

MRS. LANTZ IS COOK AT COLLEGE DINING HALL

Mrs. Ray Lantz, 412 West 11th street, York, has taken the place of Mrs. J. R. McVey who has resigned as cook at the college dining hall. Mrs. Lantz who began her duties immediately after the holidays is also president of the Otterbein Circle of the local United Brethren Church. She has a son, Stanley Snider, who is a sophomore in the college.

Life in the dining hall is continuing much as it had formerly and Mrs. Lantz says she enjoys her work very much.

TEAM GIVES PROGRAM

A gospel team headed by Vernon Overturf presented the morning worship services at Arborville, January 15. A vocal trio number was given by Ruth Brandstetter, Dorothy Riggs and Arlene Beason. Al Zerwekh led the devotional period. Overturf delivered the sermon, and Jean Mattingly sang a solo.

IN CHAPEL MONDAY—Dr. S. B. Williams, associate secretary of the Home Missions and Church Election Board, of Dayton, Ohio, will be on the campus Monday to appear in chapel and to speak to the Life Work Recruits in the evening. He will be the speaker in the college church Sunday morning and evening.

Several New Courses Next Semester

New courses for the second semester will include advanced courses in physics research and chemistry research, under Professor Harold Haugan, head of the chemistry department. A course in elementary bio-chemistry, also under Prof. Haugan, will be offered to York College students for the first time.

Another new course which is making its initial appearance at York College is plays and games under the direction of Prof. Mary Alice Slee. The course consists of one lecture period and two one-hour laboratory periods a week. Lois Miller will be the assistant for women and Maurice Thompson will be the assistant for the men. This course counts as a two-hour credit in physical education.

Players Dramatize Dickens' Novel

"Cricket On the Hearth" Presented Tuesday Night

Playing to a near-capacity audience, the York College Players presented "The Cricket on the Hearth" in the York College auditorium, January 17.

The production starred Lois Cobe, Dawson sophomore, as Dot Perrybingle. Miss Cobe's performance was evidence that the part had been well cast. Bertha Riggs, who, as the story-teller, was pinching for C. Dickens himself, deserves a bouquet for her fine work. Worthy of praise for interpreting difficult roles were: Jean Mattingly, as Bertha Plummer, the blind girl; Max Oswald, in the dual role of the Stranger and young Edward; and Nelson Ronne, as Dot's husband.

Noteworthy in supporting roles were: Ferdinand Saindon, as gruff Mr. Tackleton; Jack Miller, as Caleb Plummer; and Doris Johnson, as May Fielding. Other members of the cast were: Jean Read, as Tilly Slowboy, a maid; Helen Lumbus, as Mrs. Fielding; Marie Pettit, as Dot's mother; Ellsworth Carlson, as Dot's father; Floyd Chenoweth, as the porter; and Anna Mae Johnson, as the Spirit. The dramatization by Albert Smith was based on the familiar

PALS DRIVE PAST ZETAS IN INTRAMURAL CONTEST

Led by diminutive Hugh Pursel of Bradshaw, the PALS eased past the Zeta Literary Society 27 to 24 in the first basketball game between the two societies on January 11. The game was a thrilling tit-for-tat affair with the outcome in doubt until the winners dumped in a basket and a free toss in the closing minutes.

Pursel had ten points to his credit when the game was over and a teammate, McNurlin, was next with nine. Paul McLaughlin was the standout for the Zetas. PALS seeing action were Pursel, McNurlin, Boehr, Spore, Dierdorff, Porter, Heatherington and Cook. Sixteen Zetas played: Huebert, Widka, E. Carlson, P. McLaughlin, J. McLaughlin, M. Bedient, Cobe, Roberts, L. Peters, Ronne, Holbrook, Chenoweth (captain), Edmondson, M. Herrick, C. McCannon, and W. Dahlstedt.

The victory last week partially avenged the two PALS losses to the Zeta men last year. The women of the societies broke even in a two game series.

Alumni Meet For Mid-Year Banquet At Hotel McCloud

Fifty-Eight Are At Annual Meeting; "Onward" Is Theme

"Onward" was the theme of the annual mid-year York College alumni banquet held at the Hotel McCloud on December 27. The toastmaster for the occasion was Miss Nell Bearss, '24, of York. Fifty-eight alumni, former students and friends were present.

The president of the alumni association, Raymond Wochner, '34, was chairman and presented the toastmaster. The program was as follows: O-n York College, the college song; News, Prof. J. C. Morgan; W-it, Jack Graham; A-chievements, Florence Jenkins; R-eading, Irene Shipley; D-evelopment, Pres. D. E. Weidler. The music consisted of Christmas carols, two vocal solos by Hester Whitmore, and a violin solo by Ivan Caldwell. Hazel Emma Morgan was the accompanist.

Those present at the banquet were: Merrill Day, '38, Kingsley, Iowa; Lorena Estey, '38, Lebanon; Lillian Bearss, '26, Fairbury; Nell Bearss, '24, York; Hazel Bearss, '30, La Junta, Colorado; Neal Gallant, '32, York; Lee Knolle, '32, Sioux City, Iowa; Russell Lewis, '34, Santa Monica, California; Irvin Lewis, '37, Merna; Winifred Meyer, Aurora; Jean Haner, '32, Bloomington, Ill.; Mr. and Mrs. Raymond Wochner, '34, Gresham; President and Mrs. D.

(Continued on Page Three)

CLARENCE MILLER HAS LIBRARY OF 1200 VOLUMES

Collecting books, old and new, is the hobby of Clarence Miller, junior of York. He began the hobby in 1921 when his father died, leaving him a small collection of books. For 17 years he has added to this collection until now he has about 1200 volumes in his library. He buys them in large groups at sales for one to two cents a book. By selling the books he does not care to keep, he soon has the purchase paid for, and a clear profit of books.

There is nothing unusual about the books, but he does have a Pike's Arithmetic book that is dated about 1790-1800. He would like to obtain old arithmetic books written by Ray or French.

Miller has a few good novels, but most of his books are biographies, schoolbooks, and classics. He hasn't read all of them. "My studies take up most of my time, but I read when I can," he explained.

MISS CALLENDER MEETS WITH PRESS GUILD

Miss Edith Callender, sponsor of the Press Guild, was hostess to the organization when it met in her home on January 11. Up to that time Miss Callender had not met with the Guild for three months due to a back injury which kept her confined to her bed.

Norma Harris was in charge of the program which consisted of two talks. Ula Mae Schall reviewed a chapter, "Breaking the Page 1 Tradition", and Bob Spore read an original paper entitled "The Human Interest of the Sandburr". After a discussion of these reports the meeting was adjourned.

On January 5, Jeanne Jones gave a review of the chapter, "The Glut of Occurrences" for the Guild.

Executive Committee Meets Last Week

Ten recommendations of President D. E. Weidler were accepted by the executive committee of York College as it met in the president's office on January 11. Nine members of the committee were present at the meeting.

Out of town members present were: Bishop V. O. Weidler of Kansas City, Mo., and four conference superintendents, A. P. Vannice of York, A. E. Moore of Tulsa, Oklahoma, Claude Crandall of Kansas City, Mo., and G. E. McCannon of Des Moines, Iowa.

One of the actions of the committee as recommended by President Weidler was to set the meeting of the board of trustees for March 14. It will be held just prior to the opening of the educational conference in York.

Panthers Lose First Home Game

Hastings Broncos Take Close Battle

In their initial conference basketball game and also in the first home game of the season, the Panthers lost a close 49-43 decision to the Hastings Broncos on Tuesday, January 10. Hastings had been undefeated in three starts while York had lost its one previous engagement, but the visitors were given an exciting battle and left with much respect for Coach Gallant and his squad.

Trupp and Grant paced Hastings to an early lead which they never relinquished but the Panthers never lost heart, once tying the count at 22 all and often coming within one point of a tie. At the end of the first quarter the score was 18-11. In the second period Feaster bagged seven points which with two points each by Peterson and Saindon drew the Gallantmen up even with the winners. At the half the Broncos had the edge 24-23.

The third quarter ended 38-33. Early in the final period Feaster and Peters flashed to bring the count to 41-40. In the last three minutes Richendifer put the game away with four points. Saindon's long shot as the whistle sounded ended the game 49-43.

Two opposing forwards, Feaster and Richendifer, were tied for

(Continued on Page Two)

HASTINGS SQUAD HERE FOR PRACTICE DEBATES

Continuing its series of practice debates, inaugurated at Hastings several weeks before Christmas, York College was host to three teams of Hastings College debaters January 11.

Prof. Leroy Lasse, Hastings debate coach, brought with him a men's a women's and a mixed team. The men's team, debating both affirmative and negative, was composed of Geller and Gillham. Debating only the affirmative was the women's team, Marianna Fink and Mary Williams. The mixed team, Mr. Kallis and Dorothy Weyer, debated the negative.

The first York team was composed of Russell Dunlop and Lawrence Deever. Ellsworth Carlson, Ed Auchard, and Levi Huebert made up a second, and Willfred Primrose and Vernon Overturf, a third.

In all, nine debates were held with York students serving as time keepers and chairmen. There were no judges, since the debates were purely for the purpose of practice.

Sophomore Class Is Host Tomorrow Night

Eberhart In Charge of Arrangements For Formal Reception

"New Methods of Instruction" is the unusual theme of the program to be presented at the sophomore reception tomorrow night at 8:15 in the college church. According to Don Eberhart, president of the sophomore class, the program will consist of "short lectures on practical subjects interspersed by entertainment".

General manager of the formal affair is Eberhart, who will also act as master of ceremonies. On the program committee with him is Henry Hansen. Bertha Riggs is chairman of the invitations and decorations committee and Betty Jo Ericson of the refreshments committee.

The class granted to the Sandburr the exclusive right to announce the names of some of tomorrow night's entertainers. Jack Miller will appear on the program. Bertha Riggs will sing, Helen Lumbus will give a reading, Bill White will present a dramatic skit, and one of the specialty numbers will be the sophomore quartet. The special guest vocalist of the evening will be Mrs. Pauline Glock. Besides these there will be instrumental groups and solos.

Zetas Enjoy Varied Program

After a business meeting on January 5, the Zeta Literary Society enjoyed the following program: Two trombone solos by Waldo Dahlstedt, accompanied by Alden Marvel; a vocal solo by Doris Landon,

accompanied by Catherine Wool-eber; a humorous reading by Levi Huebert; and a piano solo by Beverly Hennings, ex-'37, now teaching at the Willard school. The meeting was adjourned to the conservatory dining hall for a taffy pull.

During the business meeting, President Wayne Dahlstedt expressed the society's appreciation for a couch, recently given to the Zeta Hall by Attorney John L. Riddell.

SIXTY ZETAS AND PALS GET "STUCK UP"

Everyone pulled taffy, but not everyone's taffy pulled at the Zeta-PALS taffy pull, January 5. About sixty members of both societies entertained themselves with playing games and getting "stuck up."

The two societies met for a business meeting and short program before adjourning to the conservatory dining hall, where Dorothy Riggs had charge of the candy making.

Here Is Prescription for Taking Difficult Courses; It Will Also Become Unemployment Insurance

As children we were led across busy streets to protect us in our early years and to enable us to learn how to cross streets by ourselves. As we grew older we were allowed to dispense with the accompanying guardian, and the older we grew, the more we were allowed to go into more dangerous places and to deal with problems, requiring more initiative and intelligence. The development of initiative is a progressive process that becomes more pronounced as the years pass.

Initiative in the matter of education becomes also a growing thing as grade school days fade into memories, as high school days come and go, and as college experiences pass into history. School children become students, and students may become scholars, if, in the enthusiasm of self-education, they learn to transcend the common instruction of the classroom, and delve deeper into fields that take on added significance.

In his autobiography, Benjamin Franklin relates his earliest recollections of the one year he spent in school. He was taught writing and arithmetic, and, as he says, "acquired fair writing pretty soon", but he failed completely in arithmetic. It was some years later that he evolved his self-education theory that made him become "the first great American". He bought a book of arithmetic and was astonished at the speed and ease with which he went through it. From that time on he was an excellent accountant and often amused himself by constructing magic squares and circles of the most intricate and complicated variety. No incentive could have been stronger than his own resolution to learn for himself.

The assumption of authorities in the field of education is that college students are so mature

in their development that professors need only suggest a course of procedure and that the future scholars will proceed from basic assignments far beyond what even arises in class recitations. With the personality thus adjusted college students learn to work for themselves and the grade that is attached becomes only a minor reward.

If a college education does not teach technics for stepping into new fields, either that education is of no value or the student is not a worthy object of it. An A.B. degree is no guarantee of a job. It denotes only that the graduate has passed through a four year conditioning period in which he should have learned the art of self-education. Oftentimes an A.B. degree suggests that a student is prepared for graduate work to further condition him to carry on research of his own initiative into practical fields that he may contribute something useful to society. Occasionally even that graduate work falls short of that goal. Perhaps some of those Ph.D.'s who are driving taxicabs in Chicago were content to cover material assigned in order to tack after their names what they believed would be assurance of permanent security. Self-education is a lifetime school.

True education is not the driving or pounding of facts. As the name implies, it is a drawing out of latent possibilities, preferably by the student himself. Any course becomes alluring when the textbook assignment is treated as a basis for real study beyond what the professor expects. If one reads beside and beyond and all around what he is expected to do he will discover a surprising richness in it. There is no better prescription for taking stiff doses of difficult courses. That habit, once cultivated, is a better assurance of success than the highest degree that may be acquired.

CHAPEL

"A sign Unto You", a Christmas play by Jean Lee Latham was presented by the Histrionic Club in the last Chapel service of the year. The cast included Jesse Merryman, Marie Pettit, Verlene Witham, Agnes Drake, Darrel Evans, Lois Ledford and Arthur Speece.

The difficulties of finding the most appropriate day to celebrate the birth of Christ was told by Prof. Charles Bisset. He stated that there is not, even yet, general agreement as to the correct day, and he gave as one of the reasons the fact that the people in the early period considered that the day the wise men visited Him and the day of His baptism were of more importance than the day of

His birth.

"Let's see that our Christmas carry some real content." Prof. E. I. Doty asked of the student body. The persecutions of the Jews in Germany and of the things with which the Jews are connected was the basis of his talk.

Coach Neal Gallant revealed, at a recent chapel program, that this season's basketball schedule is one of the toughest that a York College team has ever had to face. At the same program, Dean Amadon of the Music Department warned the student body against "screeching" at the games, and asked them to keep their voices low. "You'll last longer, and the team will too," he said.

The Finnish novel, "Katrina", by Zalminen, was reviewed for the

student body by Mrs. Walter C. Baer last Monday. The book, a year and a half in the making, is now translated into seven languages and sold in nine countries. The novel deals with a Finnish girl who triumphs over adversities. "Someone has made the remark," said Mrs. Baer, "that if Miss Zalminen would give us another book like "Katrina", we should cancel Finland's war debt."

A preview of the Histrionic Club play, "The Cricket on the Hearth", was given Friday by members of the cast. Several short scenes from the play were presented.

The film, "Winning With Wheat," was presented to the student body, January 12th. It was sponsored by the Shredded Wheat Company of Niagara Falls, New York. This film showed the pro-

Plainsmen Pushed To Win 33-28

Feaster, H. Haberman Quick, Please York Fans

The York-Wesleyan basketball game last Friday night in Lincoln was tied at 26 to 26 with four minutes of playing time left. At that point Peterson and H. Haberman were forced to leave the game on fouls and a frantic, wide-open scrap ensued. With a few seconds left the score was 30 to 28 with the Plainsmen leading. Davis quickly made good on a free toss and a set-up shot and the Panthers had lost their second conference start 33 to 28.

Feaster, with nine points, was again high scorer for the Blue and White. He was topped only by Souders who collected eleven. To York fans, H. Haberman looked good, and the rest of the squad also performed well.

York jumped to an early lead and was ahead 5-4 at the quarter. With Souders' basket the lead changed hands for the last time. Wesleyan led 14-11 at half time. Souders was busy in the next frame, too, and the count was 25-18 going into the final period. Quick made two points and Saindon four while Davis was making one; then two more points by Quick knotted the count. The rest of the game was a heart-breaker for Coach Gallant, his team, and its supporters.

Box Score

York (28)	Fg	Ft	F
Feaster	3	3	3
Saindon	1	1	1
Peterson	1	0	4
H. Haberman	0	4	4

Williams	0	0	0
Feyerherm	0	0	0
Totals	11	11	12

The preliminary tussle between the B teams was favorable to Wesleyan all the way after Manzanares of York opened the scoring. Klippenstein was the Panther nubbins' big gun with eight points and Hohnbaum was next with seven. Geis, Bowmaster, and Miller led the Wesleyan B attack.

AID IN REVIVALS DURING HOLIDAYS

The evangelistic meetings held in Collins, Iowa, in which Lois Miller and Jerry Dierdorff assisted with music and personal work, ended after a two weeks' session on the evening of Sunday, January 1. The meetings proved quite successful with good audiences, except in extremely bad weather, with good enthusiasm, several altar call responses, and satisfactory personal work. During this period the students entertained the Collins High School with a half hour musical program.

Dorothy Riggs and Russell Dunlop returned to York, January 2, after a week of evangelistic services in the Womer Church on the Smith Center Charge where Dunlop is pastor.

SPORT BRIEFS

April 22 has been set as the date for the annual York College invitational track and field meet at which time athletes from all over the state will be on the campus to compete.

John McLaughlin is organizing a swimming team to compete with other colleges in the state. Regular drills have begun in the Y. M. C. A. pool.

Panthers Scare Kearney In Opener

The Gallantmen barely nodded to the Kearney Teachers' 34-32 in the Panthers' initial battle of the basketball season Friday, Jan. 6, at Kearney. Kearney, with ten previous games under its belt, was slated to win by a large margin, but York led the scoring until the closing minutes of the game when Kearney slipped ahead to win.

York was leading 14-12 at the half, and six points was the biggest margin ever enjoyed by either five.

"Ferdie" Saindon led the scoring for York with 11 points. Church of Kearney had the same number. The all-round play of Feaster stood out for York. Art Stegeman played a bangup defensive game for the winners. York was handicapped in height but the speed of the Gallantmen helped counter-balance this.

The Kearney B team defeated the York B team by a margin of 34 to 27 after a hard fought battle.

The box score:

York (32)	fg	ft	pf

PLAYERS DRAMATIZE DICKENS' NOVEL

(Continued from Page One)

novel by Charles Dickens.

Entertainment between acts was supplied by members of the Dramatic Interpretation class who read Dickens' numbers. Accompanied by Marjorie Cook at the piano, Anna Mae Johnson read "A Child's Dream of a Star". Bill White read an amusing number, "Pickwick in the Wrong Bedroom".

Peru Power In Last Quarter Wins

York Holds Lead Long In Thrilling Score Fest

In a brilliant, free-scoring affair last Saturday night, the Peru Bobcats, N. I. A. A. champs of 1938, drove past the Panthers in the final period to win the inter-conference game 65 to 53 in the local gym. Halliday and Greathouse, Peru forwards, were the whole show for the visitors, accounting for 47 points between them.

The Panthers displayed surprising speed and accuracy to lead the vaunted Bobcats for three quarters. An early 9-2 lead became 13-10 at the first quarter. H. Haberman did his share of scoring in the next quarter, but with two minutes to go, Greathouse, Halliday, and McIntire, each counted with a field goal to tie the score at 27 all at halftime.

Opening the second half, the Panthers again captured a slim lead only to lose it late in the third period. In the final canto Saindon dumped in eight points, but he was matched by Greathouse with the same number while Halliday, Mosley, and Bailey, were working well for Peru, and the game ended 65-53. The Bobcats' frequent display of smooth power was good to watch. York fans were pleased with Saindon's torrid shooting and with the brand of ball displayed by Peters, a freshman. H. Haberman and Peters were effective under the basket. As usual Feaster was fast, and Peterson was steady and dependable. Saindon made eight field goals to lead the Panther scoring and Feaster with eleven points was next.

Box Score

They Tramped These Halls

By Prof. J. C. Morgan

The mid-year meeting of the alumni, an account of which is given elsewhere in this issue, was a very enjoyable and successful affair. We want to note several interesting features. The oldest person present was Mr. S. C. Caldwell, who on the day of the meeting was celebrating his seventy-eighth birthday. Three generations of the Caldwell family were present. Besides S. C. there were Mr. and Mrs. R. E. Caldwell, '06, and Mr. and Mrs. Ivan Caldwell, '28. Dr. A. P. Vannice claimed that of those present he was the first to enroll, as he was attending York College in the year 1900. We wish to commend two groups for being so well represented. First, the Thompsons, including Miss Anna Thompson, registrar and treasurer of the college, Mr. and Mrs. William Thompson, '26, and Mr. and Mrs. Theodore Thompson, '28. The Bearss sisters, too, deserve special mention, all three being present, Nell, '24, Lillian, '26, and Hazel, '30. Among those present from a distance were Russell Lewis, '34, Santa Monica, Cal., Jack Graham, '35, Iowa City, Iowa, and Jean Haner, '32, Bloomington, Ill.

The following classes were represented: '06, '07, '08, '10, '11, '15, '16, '17, '20, '24, '26, '27, '28, '30, '31, '32, '34, '35, '36, '37, and '38. Two were present of the class of '11, two of '15, two of '24, two of '30, three of '26, three of '34, and four of '38.

A letter has been received from Mrs. Laura B. McClelland, expressing her interest in the college, and containing a contribution for its support. Mrs. McClelland taught for several years both at Campbell College and at Kansas City University. She is now living at Minden, Kansas.

We also have a letter from Leslie A. Kenoyer, C. C. '06, a former teacher in Leander Clark College. After spending a number of months the past year in plant research in Mexico, he has returned to his teaching work in the state teachers' college in Kalamazoo, Michigan.

A card from former President J. R. Overmiller contains items of news concerning three students of Lane University. Prof. Elijah Andes, whose death occurred just recently, taught for several years at Lane, and later in California. He was a specialist in sociology. Two other former students at Lane back in the eighties, Rev. E. R. Myers, a preacher in Kansas for twenty years, and Calvin E. Bond, a dairy farmer, now live in or near San Diego. President Overmiller pays tribute to the help Lane University was in the lives of these men, and testifies that its work still goes on in their service in his church.

Walter Speece, '35, has been elected to a teaching position in the Bennet high school. His for-

COLLEGE REGISTRAR SPEAKS TO Y. W. C. A.

Miss Anna Thompson, the college registrar, spoke on Secretarial Science before the Y. W. C. A. on January 3. Miss Thompson said that, "A true secretary is a keeper of secrets. The dislike for routine should be conquered before a secretary can be successful. She should also have a thorough training and the ability to deal with all kinds of people".

In closing, Miss Thompson advised those who planned to be secretaries by saying, "Believe your work is important and give your employer your time and loyalty and you will be repaid."

mer position at Edison, will be taken by Herbert Speece, '38.

Mrs. Ardith Kull Fast, '30, of Minneapolis, Minnesota; Miss Edith Stephens, '28, of Cowles; Wayne Gallant, ex-'34, Miss Myrtle Broehl, '19; Miss Mildred Thompson, '34; Mr. and Mrs. Grant Sterner, '27; Misses Wilhelmina and Elizabeth Feemster, '31 and '37; Gladys Deever, '36; Melba Manning, '36; and Betty Spore, '33, spent the Christmas holidays in York.

Kerry Walter is the name of the new arrival in the home of Mr. and Mrs. James Speece, '35.

Word was received January 11, of the death of Katherine Spore Cain who was graduated from York College with the class of 1929. She taught school seven years in York county rural schools, and in the high school at Mitchell, before going to New York City. She had been employed in the office of the Y. W. C. A. there, before her unexpected death.

Miss Lenora Leslie, ex-'41, of Blackwell, Oklahoma, was married on Christmas day to Mr. Ted Terrell, of Stillwater, Oklahoma. The double ring ceremony was performed by the Rev. D. B. Cooke in the United Brethren church at Stillwater. Mr. Terrell will be graduated next spring from Oklahoma A. and M. college. Mr. and Mrs. Terrell are living at 214 W. 6th St. in Stillwater.

Among the alumni at the Peru basketball game Saturday night were Mr. and Mrs. Rolland Tonkin, '38, Milford; Lois Stoskopf, '38, Hoisington, Kansas; Milton Maurer, '35, York, and Dave Ender.

Hastings B Triumphs In Overtime Game

In a fast preliminary game, the Hastings B squad eked a narrow 48-46 victory over Assistant Coach Spore's reserves. At the half the battle was even at 24 to 24. York was ahead 38-37 at the start of the last period. At the end of the regular playing time the game was deadlocked 46-46. In the overtime period Horton, Bronco, sank one for the winning two points. Klippenstein was best for the Panthers with eleven points while Hohnbaum and game captain Thompson each had nine.

NEWS BRIEFS

TO GIVE RECITAL—Olive King, junior of Salina, Kansas, will be presented by the conservatory of music in a piano recital next Monday night at the college church. She will be assisted by Hester Whitmore, a vocal student in the conservatory. The accompanist will be Marjorie Cook.

BACK FROM FLORIDA—Prof. Harold Haugan, head of the physical science department returned this week from Florida where he took his father who is ill. His father is a resident of Grand Forks, North Dakota. Prof. Haugan's physics class was in charge of Maurice Herrick, the chemistry classes in charge of Homer Meserve and Raymond Peterson, and the organic chemistry class in charge of Harold Miller.

ON EXAMINING COMMITTEE—Pres. D. E. Weidler was recently notified of his appointment as a Nebraska representative on the alumni examining committee for scholars for the advanced school of education in the teachers' college of Columbia University of New York City. The committee in this state examines applicants for scholarships to Columbia U. Pres. Weidler was on a similar committee in the state of Indiana when he was on the faculty at Indiana Central College.

JUDGE CONTEST—Three York College students, Edith Huebert, Bill White and Carl Biedent, were judges for the Henderson High School Declamatory contest Tuesday, January 10.

PRESENTS BOOKS—Dr. M. E. Bachman, father of Dean Walter E. Bachman, has presented to the college library a collection of books of particular interest to students of psychology and theology.

AUNT DIES—Dorothy and Albert Kamm were called to their home in Platte Center, Wednesday, January 11, by the death of their aunt. She had been ill for some time.

Mrs. J. C. Morgan went to Turon, Kansas, last week to attend the funeral of her brother, Clarence Foulk.

Pres. D. E. Weidler was recently elected to the University Club of Lincoln which has its offices in the three top floors of the Stuart building.

Mary Lou Warner read the poem, "The Bear Story", by James Whitcomb Riley for the Presbyterian Evening Circle, Monday night.

Miss Mary Alice Slee expects to go to Lincoln today to attend the committee meeting of the Nebraska Council of Education.

Prof. Charles Bisset has again joined the York Rotary Club after being out of it for several years.

Junior Heatherington, sophomore, is now the baritone in the college men's quartet replacing Dave Houston who has dropped his work in the conservatory.
