Seniors Prepare for Graduation

Some of the members of the 1941 graduating class have received their class rings and pins, and others have ordered them. The class has also decided upon the type of commencement announcements it will use, and caps and gowns are being secured.

According to a decision of the student council, made several years ago, all college rings and pins are to be oval shaped and have the college crest engraved upon them. Students may choose either a light or a heavy weight ring.

The commencement announcements are to be the double (French fold) type. The college crest will be printed on the front page, according to H. D. Kingsley, a former York College student, from whom the rings, pins, and announcements are being purchased.

Y. C. Faculty To Attend Annual Meeting

Church Colleges

Convene March 21-22

The York College faculty will attend the annual meeting of the Nebraska Association of Church Colleges to be held at Nebraska Wesleyan University in Lincoln on March 21 and 22. Last year this meeting was held at York. The place of meeting this year was originally scheduled for Nebraska Central College in Central City, but in order to secure Dr. Russell M. Cooper of Mount Vernon, Iowa, as a speaker, it was changed to Lincoln.

Co-operating with the N. A. C. C. in this annual meeting will be the Committee on the Preparation of High School Teachers in Colleges of Liberal Arts sponsored by the North Central Association of Colleges and Secondary Schools. Dr. Cooper is the secretary of this committee.

The general theme of the meeting this year is "The Liberal Arts College in Our Educational Program." This theme will be carried out in an address on "What Do We Expect from the Colleges?" by Superintendent C. Ray Gates of Grand Island and in an address on "Learning Problems at the College Level" by Dr. T. Raymond McConnell, Professor of Educational Psychology and Associate Dean of the University of Minnesota.

The department meetings are scheduled from 8:30 until 10:30 Saturday morning. Two of the York College faculty are acting as chairmen of their respective departments. Professor W. C. Noll is the chairman of the Biological Science department and Miss Edith Callender is the chairman of the English, Speech, and Journalism department. Dean Walter E. Bachman of York college is now the secretary of the N. A. C. C.

The meeting begins Friday afternoon with registration and arrangements for entertainment from 2:00 until 3:00 and closes at 2:30 on Saturday.

The World's Day of Prayer, February 28, was observed by a special chapel program which was sponsored by a joint committee of the Life Work Recruits, the Y. M. C. A., and the Y. W. C. A. campus organizations.

Stine Douglas, Beach, North Dakota, presided. Songs concerning prayer were sung and Lyle Roe, student pastor at Shelby, gave a brief message in which he stressed the importance of prayer in the Christian's life. "Prayer is a privilege. It is a source of power," he stated.

Assisting on the program were Margaret Bollinger, Robinson, Kansas; Daryl Severin, Imperial; Esther Johnson, Merna, and Fred Gaston, student pastor at Phillips.

They Tramped These Halls

By PROF. J. C. MORGAN

Mr. Everett W. Green, '36, formerly Superintendent of Schools at Hayes Center, is this year serving as head of the Commercial Department in the McCook Senior High School. He enjoys reading the Sandburr and sends best wishes to the college.

Mr. and Mrs. Robert Graham, ex-'34, announce the birth of a daughter on March 1, 1941. They are living at 2055 Clinton Ave., Alameda, Calif. Mrs. Graham before her marriage was Miss Jean Hanna.

The wedding of Mr. Donald Grosshans, ex-'38, and Miss Helen Van Horne is announced. They will reside at McCook, Nebr.

The historian is glad to insert the following additional paragraph from Dr. I. E. Caldwell, '02, concerning the naming of the Sandburr. At any rate these two things can be said about the name: first, it is a good one; and second, it stuck.

"In the Sandburr of Feb. 13 a paragraph was quoted from my letter to the alumni historian in which I state that Prof. Sereva Dowell was the one who suggested the name "Sandburr" as a name for the college paper. I have since been informed that the name "Sandburr" originated with Mrs. L. L. Epley. That being the case I suppose that Prof. Dowell only took to the committee the name which had been suggested to her by Mrs. Epley. As a member of the committee I only remember that it was Prof. Dowell who presented it to the committee. "Honor to whom honor belongs."

(Signed) I. E. Caldwell.

The Rev. Theron Maxson, '33, who completed his M. A. degree at the University of Southern California last summer, has received appointment to a part-time professorship at Whitworth College, teaching in the School of Religion. This is carried on in conjunction with his pastoral work in the city of Spokane, Wash. Whitworth, an accredited four year Presbyterian college, has one of the largest schools of religion in the west.

Mr. Maxson has been elected a member of the Phi Chi Phi, professional fraternity for students of religion, his membership being in the University of Southern California Chapter.

The Rev. Samuel Lee, '37, was ordained recently in the Presbyterian Church and will serve as a pastor in Iowa. He will complete his seminary work this next commencement.

Albert Kamm, '39, who has been serving the First Baptist Church of Fremont as director of the choir and pastor's assistant, received his license to preach following the evening church service on March 2. He and his twin brother, Alfred, '41, will attend Colegate-Rochester seminary in New York.

William Hice, '34, of Fremont, was elected president of the Nebraska Council of Teachers of English at the annual meeting held in Lincoln last Saturday.

Christian Associations Have Two Joint Meetings With Featured Speakers

"Three million prisoners of war are in various prison intern camps throughout the world," according to Mr. Claude Nelson, director of the World Student Service Fund, who spoke at a joint meeting of the Y. M. C. A. and Y. W. C. A. February 24.

The speaker said, "We have the opportunity of helping those people, who are the best friends we have in Europe. Belligerent governments permit outside help to reach their prisoners of war because it is on a reciprocal basis. We should help those prisoners, because we will need them in reconstruction after the war," he continued.

Mr. Nelson pointed out that those prisoners include French, Poles, Lithuanians, and Chinese, but that it is difficult to help the Lithuanians since Russia has gained possession of their country. There are 500,000 Poles now in Russia. Our aid cannot reach all of them, but those who can be reached are given second class service, according to the speaker.

Mr. Nelson commented upon the situation in China by saying, "Buildings have been bombed there, and students must go west to pursue their education. Some have already gone to the third site; and some meet in caves for their classes. In some cases 100 students must use the same textbook. They live economically, as \$1.00 will keep a Chinese student one month, he estimated.

The speaker stated that the purpose of the World Student Service Fund is to help Chinese, as well as those of other nationalities, to attend institutions of higher learning in preparation for various professions, including those of doctors, engineers, teachers, and nurses. He estimated that now in the state of Texas there are more students in institutions of higher learning than there are in all of China.

Mr. Nelson has first hand knowledge of conditions in Europe. He

Devotions were led by Robert Jones, junior of Jamestown, Kansas. Bertha Riggs, senior of Merville, Iowa, accompanied by Catherine Woolever, junior of York, sang a solo, "The Twenty-third Psalm" by Malotte.

At a joint meeting of the Y. M. C. A. and Y. W. C. A. on March 4, Carrol Moon, regional secretary of the Student Christian Movement, was the speaker.

Mr. Moon stated that religion and education must go together, and that students must search for truth. This truth is to be found only in God, and "unless we accept His philosophy, we, as individuals, and as a group, will be doomed to lose the race between education and disaster."

The solution of the present world problems, according to Mr. Moon, is to have Jesus Christ become real to us today.

Supt. MacCanon Speaks In Chapel

"The community has a right to expect the church to stay close to prayer, proclaim the great doctrines of the church, and to live in accord with what it professes," stated the Rev. G. E. MacCanon, superintendent of the Iowa conference, as he spoke to the students and faculty during the chapel period Thursday, March 6.

He said further, "The church should be expected to bear down on the old fashioned doctrine of repentance." In speaking of individuals, the Rev. Mr. MacCanon said, "There should be something about the Christian man or woman that lifts the standards of others. When we fail, we disappoint God as well as the people of the community."

After quoting from Matthew 5:13, "Ye are the salt of the earth," Mr. MacCanon spoke of the power, the purifying, and the thirst-provoking attributes of salt which should be evident in the lives of Christians.

Doane Beats Midland To Share Title In N. C. A. C.

A 45-30 defeat by the Doane Tigers over the Midland Warrior quintet Tuesday, March 4 on the Doane college floor divided the rights to the N. C. A. C. championship between the two teams.

Doane's center, Wilson Belka, once again hit his stride and scored 16 points in leading the Tigers to a share of the top berth. The Tigers took an early lead and did not relinquish it, leading by a comparatively safe margin throughout the game.

On the same evening the Hastings Broncos avenged a previous defeat by the Wesleyan Plainsmen at Hastings by a score of 58-52. The victory cinched fourth place for them in the N. C. A. C., just below York who finished third with four won, and four lost.

Class Tournament Honors Go To Freshmen Five

Rough and rowdy but all in the spirit of fun were the games in the inter-class tournament held last week, the championship of which went to the freshman five.

A 42-31 victory over the intellectual but not so athletic seniors gave the frosh the title last Thursday after they had easily defeated the juniors on the preceding Tuesday, 42-22.

The sophomore team was consoled in their consolation game with the juniors by handing them an 89-30 defeat. Predictions by the experts had favored the sophomores for the title, but the latter spoiled those predictions by losing to the seniors on the first day of the tournament.

Stars of all the teams were the varsity men on each who, contrary to previous class tournaments, were permitted to play. The sophomores possessed four of these players; the freshmen, three; the seniors, two; and the juniors, one.

Outlook Seems Rosy Next Year For York Cagers

Not at all dark is the outlook for next year's basketball team as we look at a final analysis of this season's play.

Despite the fact that Harold "Haddie" Haberman, senior guard played his last game for the Panthers against the Doane Tigers two weeks ago, Panther fans are pleased to remember that Wayne Kaeding, freshman forward who has been out for a good share of the season due to a broken wrist suffered in the first Midland game, will be back on the regular lineup next year.

With him will be the other four regulars of this season, Jim Kaeding, freshman forward; Don Yager, sophomore forward; George Shaneyfelt, sophomore center; and Harvey Peters, junior guard.

The season just passed included ten victories and six defeats for the Panthers. Only one of these defeats has been on the home floor and two of them, both with Midland, might have been victories had the game lasted four seconds longer on the Midland floor, and ended six seconds sooner on the home floor. The last fact, combined with the injury of Wayne Kaeding, unanimously elects the Panthers as the hard luck team of the conference for this year.

713 was the total number of points scored by the Panther five as compared to 608 totalled by the opposition. George Shaneyfelt was high scorer of the conference and boasted a total of 211 points for the entire season. Yager and Kaeding were next with 113 and 144, respectively.

A Thursday night jinx seemed to prevail over the team and they did not win any of their games scheduled on that day of the week.

Finally, it seems that all we have to do is to keep the boys in good condition and not schedule any Thursday night games. Then we can smile smugly and say, "Not bad, eh?"

Panthers Take Kearney 47-39 To Get Revenge

Shaneyfelt Heads Attack With 19 Points; Journey Has 17

Avenging a defeat by the Kearney State Teachers college quintet earlier in the season, the York Panther cagemen subdued them by a score of 47-39 on the home floor Tuesday, February 25.

None too pleasant for York fans was the first half of the game which saw Kearney leading 14-8 at the end of the first quarter and the Panthers leading by the slim margin of 23-24 at the half time. However, after a few minutes of play in the third period, the Cats launched an attack which netted them a 40-31 lead as the game went into the final quarter. Scoring in the last quarter was on a fairly even basis with the Teachers outscoring the victors by one point.

George Shaneyfelt, Panther center, took high point honors and at the same time increased his lead in the state college scoring race by ringing up a total of 19 points. Journey scored 17 points to lead the Teachers.

York Forensic Representatives Enter State Meet

Three debate teams will represent York College in the State Forensic tournament at the Wayne State Teachers' College, Wayne, March 12-15. Floyd N. Richert, senior of Whitetail, Montana, will represent Y. C. in the old-line oratorical contest with his original oration, "The Last Shift." Jack Miller, sophomore of Johnstown, Colorado, is entered in the after-dinner speaking contest and Edward Auchard, senior of Luray, Kansas, in the extempore contest.

The proposition debated this year is "Resolved: that the nations of the western hemisphere should form a permanent union." The general subject of the extempore speaking contest is "The Bill of Rights, Bulwark of Democracy."

Panthers Finish In Third Place In Standings

Defeat Costs Tigers Chance For Undisputed Title

The York College Panthers wrote a happy ending to this year's basketball season by defeating the conference-leading Doane Tigers quintet by a score of 49-37 here Friday, February 28. The Doane aggregation's loss deflated top conference hopes for undisputed top conference honors, while it gave the Panthers possession of third place.

After slight juggling of the lead in the first quarter, the Tigers emerged with a 10-7 lead. As the

game entered the second period, the Tigers continued to gain momentum and acquired a six point lead before the Panthers started to click. For the remainder of the quarter, the Panthers matched the Tigers score for score and were trailing 22-18 at intermission.

In the 3rd quarters big George Shaneyfelt and Don Yager sparked a rally which built up a 36-27 lead by the end of that period. Doane's blonde forward, Weber, took over for the Tigers and scored eight points in rapid succession, in the final quarter, but his efforts were of little avail in reducing the lead which the Panthers had built up.

Shaneyfelt was the hero of the evening, not only for sharing high point honors with Weber at 16 each, but also for holding Wilson "Booker" Belka, Doane's high scorer and a leader in the conference scoring race, to only 9 points. Jim Kaeding, York forward, took second honors with 15 points.

HOLD LENT SERVICES

York held two services on February 27 to mark the beginning of Lent. The young people met at the Baptist-Congregational church, where James Koontz had charge. The college chorus sang "To Music" and "O Holy Lord". The Rev. Proett from Gresham spoke on the Biblical Mary and Martha. The adult meeting was held in the Presbyterian church.

GALE'S . . . York

THE LIMELIGHT

By William White

Rocking to and fro with one arm over the back of the chair, was Prof. E. I. Doty who responded willingly to the inquiries of the reporter for the Limelight.

When Dr. Doty was asked as to his birthplace, he said, smiling, "Well, I was born in Clarksville, Iowa, which is on the Great North-western railroad just thirty miles north of Waterloo, Iowa." Then with a toss of the head he laughed and replied, "Now don't ask me when I was born because it was a long, long time ago."

After graduating from high school Prof. Doty attended Western College in Toledo, Iowa. At this point Dr. Doty stopped his rocking and added jokingly in a lowered voice, "It was here where all my difficulties began, because I met Mrs. Doty—and we were just as bad as the rest of the kids." Mr. and Mrs. Doty went to China for five years after his graduation from college.

When they returned to the United States he took a pastorate in Goodwell, Iowa. Upon graduating from the seminary they returned to Goodell, Iowa.

After six years in Goodell, they sailed to the Philippine Islands, but stayed there only a year as Mr. Doty became ill. Upon returning home Prof. Doty taught in Penn College in Oskaloosa, Ia. From here the Dotys returned to Chicago to complete their work for master's degree. Seeking a new environment, they went to Kansas City University where Prof. Doty taught history and philosophy four years. From there they came to York College in 1931. Prof. added whimsically, "and have so far been around."

Prof. Doty doesn't have a hobby at the present except perhaps playing with the canary, mowing the lawn, or shoveling off the sidewalk. He used to be quite an amateur photographer.

Reflections . . . On a Hare and a Tortoise . . .

According to one fable which we often hear repeated, there are two general classes of people in this world, the hares and the tortoises. We presume you know the tale of the hare and the tortoise and their race. You remember that the hare was very confident that nothing could keep him from winning, and he started out with the speed of the wind, so that the poor old tortoise was left far behind. But the tortoise was a wise old fellow. He didn't become discouraged and quit. No, he just kept pattering along, blinking his eyes knowingly, and keeping up his steady pace. Of course you know the rest,—how the hare became tired, lay down to rest for a while,—he was way ahead anyhow,—and the persistent old turtle crept up, and ahead to win the race.

We were just thinking. It won't be long now until the nine weeks period ends, sort of a race, as it were. So if we've been pulling a "Mr. Hare" on ourselves and loafed along for awhile, maybe it's time we wake up, while we can still get back in the race.

BOOSTING HELPS

Basketball season has ended for the aspiring Panthers of '40-'41, a remarkably successful season. Take a look over the schedule just completed. With a team composed almost entirely of underclassmen, the Panthers amassed the best won-lost record York has had in many years. Ten victories the blue and white chalked up this year, while dropping six games. Peeping behind this won-lost record, we find a surprising fact. Eight of those games were won on the home floor.

The Panthers, with a total of nine home games, lost only one of them, ending up one point behind Midland after leading all the way. Knocked off in the process of winning those eight home games were such ranking college fives as Peru and Doane. Away from home, the Cats won only from Wesleyan and Hebron Junior College.

What's back of this record? Are the Panthers a "home" team unable to win on foreign floors? Did it just happen that the Panther's slump came when several games were scheduled away from home? Or did the great backing which home crowds gave the Panthers inspire them to victory? We'll stick with the latter suggestion. Support of the team this year was the best ever, and the team couldn't help responding to it.

have the time for it any more.

Besides being a professor of history and philosophy, Prof. Doty is vice-president of the college; chairman of the faculty; and chairman of the chapel committee.

His philosophy of life is very practical and very challenging to college students. Prof. Doty says, "I believe in down right honesty, hard work, and dependability, particularly independence. I believe youngsters should learn to do their own work. It is very important to them that they do."

Dr. Doty has a peculiar brand of dry humor all his own. This humor is embedded in his class lectures and creeps out in helping to make his classes very enjoyable. He has a thorough mastery of his field naturally making his courses very worthwhile. His sincerity of purpose and his appreciation of human worth all contribute to his charm and his success as a professor.

Why I Go To Church

Various current magazines and newspapers have recently given space to articles entitled "Why I Go to Church." I believe this to be a very worthwhile subject for a publication to give attention to and wish to add the reasons why I attend church services.

I can say with the Hebrew psalmist, "I was glad when they said unto me, Let us go into the house of the Lord." Why? Because there I find God. Men throughout the ages have been in search of God. And many are still as perplexed as Job, when he uttered, "Oh that I knew where I might find Him!" But if they enter the sanctuary of God in the same state of mind and spirit as was the psalmist when he wrote, "As the hart panteth after the water brooks, so panteth my soul after thee, O God," they can find the answer to this question.

Dedicated to Scott Heath-erington after he emerged second best in a skirmish with the gym wall during the sophomore-junior game is the little ditty, "It's a Won-

NEWS SECTION . . .

Ah-h-h Dreams . . .

Must be nice to sit and dream, pay no attention to the world and its distractions. But be careful! Other day Irene Johnson sat in History of Education class, kinda passively, and let the discussion of the battles which education had had, drift sweetly by. Suddenly she heard her name called and something about "the first battle was what?"

"Oh," said Irene, relieved that she had heard, "The Revolutionary War with

England." And spring's not even here yet!

Rather Sad . . .

Romeo Laurence Smith paid a call to a fair one the other night, and through some over-sight or distraction or something, he came home forgetting his overcoat. First night, too.

Misunderstanding . . .

Fred Carlsen, (to drug store clerk)—I'd like some of that soap, please.

Clerk—Yes, sir. Would you like it scented or unscented?

Fred—Oh-h, I guess I'll just take it with me.

WE WONDER ITEM . . .

Why everyone kidded "Big George" Shaneyfelt when he made four points against the seniors in the class tournament. Why some of the boys didn't even score at all.

Amateur . . .

Have you heard about Lenore Stephenson? She takes cooking so seriously that she thinks it's necessary to wear an apron when shopping for groceries.
