Vaughn Leaming, senior of Woodward, Iowa, and Mary Lue Warner, senior of Kalispell, Montana, were introduced as York College Representative Man and Woman at chapel on May 21. The two students gave short responses to the introductions which were made by Ralph Schmidt, president of the Student Council.

Miss Warner, active in campus life, has been president of the Y. W. C. A. and of PALS, vice-president of the Histrionic club and of the junior class, secretary of Life Work Recruits, and treasurer of the Y. W. C. A. She was maid of honor to the May Queen in 1939, and an attendant in 1937, 1939, and 1940. At the present time she is treasurer of the senior class and of the Histrionic club and a member of Alpha Psi Omega. Her name appears in the 1941 edition of *Who's Who Among Students in American Colleges and Universities*.

Leaming has been president of Life Work Recruits and of the junior and senior classes. He has been a member of the Student Council, a delegate to the Student Volunteer convention in 1935-36 at Indianapolis, and student representative of the World Friendship Project in Africa from 1938 to 1940. He has also been a member of the glee club and the *Sandburr* staff. At the present time he is a member of the "Y" Club, having lettered in football and track, a member of the Y. M. C. A., and of PALS. He is also listed in the 1941 edition of *Who's Who Among Students in American Colleges and Universities*.

The Representative Man and Woman are chosen from the junior or senior classes by a popular vote. They are selected for their character, scholarship, and leadership traits.

President Weidler Speaks for Assoc. Day

President Weidler was the principal speaker of the service, held at the United Brethren Church Sunday morning, which is sponsored annually by the Christian associations, the Y. M. C. A. and Y. W. C. A.

Miss Eda Rankin played the organ prelude and postlude. Invocation was pronounced by Dr. Earl I. Doty and the benedict by Rev. G. T. Savery. Ruth Brandstetter read the scripture and Lester Auchard and Stine Douglas offered prayers. The choir sang the anthem "A Morning Prayer". The subject of the sermon was "Another Beatitude".

Novak Student Council Pres.

The student body, under the direction of Ralph Schmidt, retiring president of the Student Council, chose as their new president Fred Novak, junior of York. Novak is a member of the band,

Auchard Elected Bus. Mgr.

Lester Auchard, sophomore of Luray, Kansas, was elected business manager of the *Sandburr* for the school year 1941-42. Selection was made by vote of the student council with the approval of the faculty. DuWayne Grimes, who is also a sophomore, of Harlan, Kansas, has been given the job of editor for a second term.

Auchard has engaged in football, basketball, and track during his two years at York College and lettered in the gridiron and basketball games the second year. He has served as vice-president of the freshman class, president of the sophomore class, and vice-president of the Y. M. C. A., and is an honor student.

Grimes plays basketball and tennis and lettered in both these activities during his sophomore year.

Auchard's work begins on this last issue of the *Sandburr* so that the retiring head, Bette Crum, may "show him the ropes" of his new position.

Bachman Gives Baccalaureate Address Sunday

Dr. Walter E. Bachman, gave the baccalaureate sermon to the seniors and their friends who were congregated at the United Brethren Church at 8:00 on the evening of Sunday, May 25. Dr. Bachman is the dean of York College and is now writing a book on the philosophy of religion.

President D. E. Weidler presided over the service. The invocation was given by the Rev. Kenneth Reeves of the Presbyterian church. The Rev. G. T. Savery read the scripture, and the Rev. G. R. Miller gave the benediction.

The seniors took their places in the front of the church as Miss Eda Rankin played the organ procession, "Allegro", by Stark. At the close of the service the seniors marched back up the aisle as Miss Rankin played "Marche in E Flat" by Gounod.

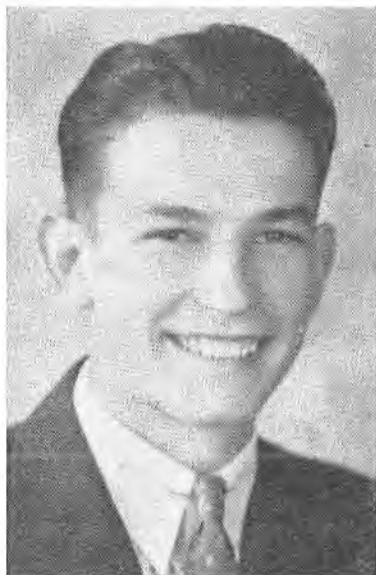

The string ensemble, under the direction of Mrs. Lee Clarke, played, "Pavane and Chorale" by Wachs, and "Scherzando" by Dont.

Looking Ahead . . .

Another York College year soon comes to an end. This *Sandburr* is the last issue of the year,—No. 16. In those sixteen we have tried to bring you a view of Y. C. life in its many phases, presented as intimately and attractively as possible.

We should like to outline our policy which we have tried to follow in those sixteen issues. We have tried to make some improvements, mostly in presentation and attractiveness of the news. We have tried a more streamlined style of makeup. We have tried to make inside pages more inviting. We have tried to appeal to all types of readers. We have tried to please our advertisers in our presentation of their goods. In short, we have tried to keep in step with modern trends while continuing features popularized by other editors.

So, with this year behind, we look ahead. Next year the *Sandburr* should advance still further on these fronts. We look toward it.

Y. C.

Of Fellow Staff Members . .

Editor's Note: Student Council election gave the position of *Sandburr* business manager for 1940-'41 to Lester Auchard. According to custom, he begins work on this issue of the 'Burr while the retiring manager is here to assist in the orientation. We welcome the new manager, and congratulate the retiring one, Bette Crum, for a job well-done.

We wish, too, to express appreciation to the news editors who have served this year with very little recognition, Edward Auchard and Letha Robinson. Charles Hurley, sports editor, also gets our thanks. They have had a great part in producing the *Sandburr*.

The following letter was received by the college office from the Honorable U. S. Senator Guyer, congressman from the second district of Kansas. The letter is in reference to the alumni directory. "I received the Directory and want to compliment you upon your effort. Having graduated from Western College in 1894 and having been familiar with all the colleges included in the directory, I found many names reminiscent of the old days at Western, Lane, where I was a student in 1885-86, and Kansas City University where I was the last president of the Board of Trustees." Congressman Guyer requested a number of copies of the directory to send to students of his acquaintance of these former colleges who were not graduated, but who would appreciate the directory. He heartily approves the enterprise of publishing the directory.

Miss Alice Gilbert, '30, furnishes the following information concerning the Y. C. alumni group of California. This group met at the First United Brethren Church, Los Angeles, Saturday, April 12, for a pot-luck luncheon. An organization was effected with these as officers: Nathan Gutschow, '33, president; Alice Gilbert, '30, secretary. Bishop Ira D. Warner addressed the meeting, speaking of matters that concern the college. He invited the group to have a part in the Conference which will meet in August. A picnic was planned for some time this summer, probably on July 20. They will be glad to see any Y. C. student who may attend summer session in California. Those attending were: Bishop Warner, Eleanor Allen, '28, Rev. and Mrs. L. L. Epley, Arthur and Jennie Farnham, Donald and Hazel Fisher, '30, Nathan and Marion Gutschow and son, Mrs. Hollingsworth, Russell and Winifred Lewis, Irwin and Ruth Lewis, Rev. I. Lynd Esch, and Alice M. Gilbert.

Arthur Farnham, ex-'30, sends a copy of his school paper, *Fore-N'Aft*. He has been Registrar of the San Pedro high school for three years. Mr. and Mrs. Farnham live at 1001 West 15th.

Russell Lewis, '34, has been elected to a permanent teaching position in the Santa Monica Junior College. He won this honor by reason of having taught for three years in the college and by his outstanding work in the classroom and in extra-curricular activities. Congratulations!

The approaching marriage of Miss Jean Brown, ex-'36 to Mr. Joseph E. Gandio of Whittier, Cal., is announced.

Miss Helen Black, ex-'41, has accepted a position with the Union National Life Insurance Company of Lincoln.

Mr. Jarvis Cobe, '40, and Miss Martha E. Davis of Tarkio, Mo., were united in marriage Saturday, May 3, at Mynard. Rev. Glenn Cain, ex-'40, was the officiating clergyman.

Panthers Finish Behind Hastings As Sprinters Sweep Dashes

Haberman Counts 16 1/2 Points to Lead Field

Sweeping the first three places in the sprints and taking firsts in the high hurdles, 880 relay, and broad jump helped the Panther tracksters garner 52 1/2 points which gave them second place once again in the N. C. A. C. track and field meet won by Hastings college on their home track Friday, May 16.

No records were broken and times were comparatively slow due to a spongy track as the Broncs gathered 68 5-6 points to capture their thirteenth consecutive title. They won firsts in the low hurdles, 880 run, mile run, two mile run, high jump, shot put and discus toss, sweeping three places in the shot put, mile run and high jump.

The closest competitor in the meet was the Doane group which scored 15 1/2 points thus making it a vital dual meet plus a triangle meet including the Tigers, the Midland Warriors and the Plainsmen from Wesleyan. The latter teams scored 12 and 14 points respectively.

Harold Haberman, Floyd Taylor, Lou Webb and Don Yager carried the brunt of the load for the Panthers. The first three mentioned placed in that order in the 100 yard dash and then shifted speeds to capture the 220 yard dash with Taylor, Webb and Haberman finishing in that order. Haberman, the only senior on the team, was high point man of the meet. He tallied his 16 1/2 points by winning second in the low hurdles, first in the highs and sharing in the relay first.

Don Yager who captured his only first in the broad jump with a 21' 8" leap placed fourth in the shot put, fourth in the discus throw, third in the javelin toss, and joined the relay team composed of Webb, Taylor, and Haberman; was second highest in point collecting with 10 1/4 counters.

Jack Barton, ace Bronco distance man, did his share by winning both the mile and two mile runs. Other Hastings standouts were Dick Van Dyke, Cley Richendifer, Vaughn and Soundy, in the field events. Van Dyke won firsts in both the discus toss and the shot put, while Richendifer won second in the shot put and shared first honors with Marvel of Hastings in the high jump. Vaughn and Soundy took firsts in the 880 run and low hurdles.

Leonard Godown who placed second in the 880. George Shaneyfelt who won second in the discus and Floyd Gifford who shared first honors in the pole vault and was fourth in the broad jump, were the other York pointmakers.

Trackmen Place In Relays At Aberdeen

Five members of the York college track team traveled to the Aberdeen, S. D., track and field meet Friday, April 25, to help capture some of the meet honors.

Points were made by Don Yager who was second in the javelin, George Shaneyfelt who won third in the discus, Harold Haberman who won second in the high hurdles, and the 880 relay team composed of Taylor, Lou Webb, Haberman and Yager which was fourth in that event.

Relay Team Wins Third In Wayne Meet

Panther trackmen placed in only two of seven events entered at the Wayne State Teachers college invitational track meet Friday, April 18.

In the midst of much stiff competition, the 880 relay team composed of Webb, Haberman, Yager and Taylor, in that order finished third.

Don Yager who set a record in the javelin toss at that meet last year threw the javelin 179 feet to take second in that event.

Haberman Ends College Days

HAROLD HABERMAN

Commencement day will see the graduation of only one major sport athlete. However, the loss of that one, Harold Haberman, will be noticeable to fans and participants alike.

During his four college years "Haddie" has won 11 letters, four in football, four in track, and three in basketball. Had he participated in basketball his freshman year he might have lettered then, too.

Last season he served as captain of the football team and played almost every minute of every game in his end position. For his outstanding defense work in that position he was chosen all-N. C. A. C. end. His consistent ballhawking at guard position on the Panther cage quintet won acclaim of many sports writers, coaches, and players.

Upon graduation Haberman plans to get a position as teacher and coach.

Worthington Makes Semi-finals, Bows To Champion

Doubles Team Drops First Match

Four Y. C. netmen made the trip to Fremont Saturday, May 18, to compete in the N. C. A. C. tennis meet. The only York man to advance to the semi-finals was Paul Worthington who defeated Asboe of Doane. Hal Goodrich, the other York entry in the singles division, was defeated by Mayer of Doane who later advanced to the finals. Worthington was eliminated by Midland's Schneider who went on to win the single crown. "Scotty" Heatherington and Larry Smith after drawing a first round bye were toppled by Streeter and McGee of Wesleyan. McEntire and Magnuson of Hastings won the doubles championship. No York men participated in the golf meet which was held at the same time. Juarez of Doane successfully defended his title and took top honors in the competition.

Panthers Sweep to Easy Victory Over Doane, Wesleyan in Triangular

Tucking away their first track victory of the season, the York College Panthers won going away from Doane and Wesleyan in a three-way meet at Lincoln May 9. Previously, Doane had been rated higher than York on the N. C. A. C. ladder.

Scoring in every event, the Panthers counted up 71 1/2 points to finish far ahead of Doane with 48 1/2 and Wesleyan with 44.

Taylor, promising sophomore dash man, won both the hundred and the two-hundred dashes and ran the last leg on the relay team.

Co-op. House Offers Solution to Men Who Worry over Batching Problems

By Clayton Lehman
(Ed. Note—The author of this article found another way to avoid batching,—he married, before coming to college.)

Mothers, here is a solution to one of your most perplexing problems. You no longer need to worry about your sons losing weight from eating their own cooking, or from lack of cooking, when you send them away to college.

A group of Y. C. men students have become aware of these conditions and have resolved to provide a better means of living at a minimum expense for 15 men in a co-operative house.

Of course, this plan will not solve all the student's problems. That would deprive him of one of his most valuable sources of knowledge. First, the prospective co-op. member must practice thrift enough to be able to make an initial deposit of \$20 by June 1 prior to entering in the fall, or he may deposit \$6.00 June 1 and \$15 when entering the house in the fall, thus paying an extra dollar. While the student lives in the house, he must pay \$3.75 a week for board and room, and if there is any surplus food or money at the end of the year, it is to be refunded to the members.

But there will still be chores to be done. Each man is expected to work two hours each week in the upkeep of the house.

It is reasonable to believe that any family of 15 boys needs a governing body. This body will consist of a president, vice-president, secretary-treasurer, and faculty sponsor.

The fellows may return home to visit their parents whenever possible, and reductions in board will be made for two days interval, in case the students remember to notify the house-mother in advance.

Yes, there will be a house-mother who will see that your rooms are kept tidy, that you find your way home by the proper time each night, to call a nurse when you contract a cold, and to act as arbitrator in case differences arise. If the house-mother is unable to negotiate peace, no doubt she will appeal to the faculty sponsor.

These plans are only tentative, as yet; however there is not likely to be much change made in them. Anyone interested in becoming a member of this co-op. may write to Prof. W. J. Karraker.

A colored map of England showing the places of literary significance has been purchased for Miss Edith Callender's classroom.

Various historical maps of Europe and Africa have been added to the previous set in Prof. Charles Bisset's room.

Y. M.-Y. W. Have Various Speakers

Miss Mabel Young, secretary of the Board of Education in York, addressed the Y. W. C. A. at the April 29 meeting. Her talk centered about the Mesa Verde Indian cliff dwellings.

A trio composed of Carmen Ware, Bette Crum, and Elaine West sang, "Thanks Be To God".

In keeping with Mother's Day, the Y. W. C. A. meeting on May 5 was devoted to a Mother's Day program. Some of the members were accompanied by their own mothers, while faculty members and friends acted as mothers for those whose homes are not in York. All mothers were presented with a corsage of sweet peas.

The Y. W. C. A. meeting on Tuesday, May 13, was devoted to a reading by Letha Robinson. Miss Robinson read a collection of poems typifying the ages of man from infancy to old age, and closing with Max Ehrmann's "Prayer". May Martin had charge of devotions.

"What shall I do then with Jesus which is called Christ," is the scripture text which Prof. J. C. Morgan discussed at the Y. M. C. A. meeting of May 20.

"That our college experiences are probably our most lasting ones," was pointed out by Secretary J. H. Wright of the city Y. M. C. A. at the meeting of May 13.

In relating a critical experience which he had during his youth in Alabama, Mr. Wright stressed the importance of organization in a time of crisis.

Prof. W. J. Karraker discussed "The Intelligent Use of Money" at the meeting of May 6.

Points which Prof. Karraker stressed are: "one should keep a record of all money spent; one half of one's income above a basic living wage for respectable living should be invested in savings; and one should invest at least ten per cent of the total income in some type of benevolent enterprises."

College Women Attend Mother-Daughter Banquet

A number of the college women attended the annual mother and daughter banquet, Wednesday, May 7, at the United Brethren church, either with their mothers, or as guests of friends.

Miss Anna J. Thompson presided over the program, the theme of which was "I Weave and My Daughter Shall Also Weave". Piano music was furnished by Vera Matchett. "Thoughts from the Bible" were given by Mrs. R. E. Caldwell, of York. Dorothy Schneider, York high school student, played a violin solo. A reading by Mary Lue Warner, and a story incident, "My Daughter Will Weave", by Mrs. E. I. Doty, completed the program.

Limelight Reviews Prof. Noll

... the Limelighter.

PROF. W. C. NOLL

THE LIMELIGHT

By Letha Robinson

The bright rays of the lime light shift this week to rooms where shelves are lined with microscopes, specimens, and models, and where the odor of formaldehyde is prominent. At his desk, seemingly content and at ease in his domain, sits Prof. W. C. Noll who has been head of York College Biology department since 1918 except for four years, 1928-1933, during which he taught sciences at Emporia State Teachers College, Emporia, Kansas.

"I've been around here so long that I'm pretty near ancient", Prof. Noll remarked. He graduated from York College in 1911 with a major in science and earned his master's degree at the University of Nebraska in 1915. He also spent three summers studying at the University of Chicago.

Prof. Noll is a native Nebraskan and received his education in Nebraska schools. He is so enthusiastic about his birth state that one of his many hobbies is that of native grasses. He proudly displayed a little patch north of the administration building where he is growing some of all species of grasses which are found in York county.

Parasitology is his favorite subject and also his favorite

hobby, but through a secret spy service, it was learned that he especially likes raising chickens and roller skating and that he loves to drive a car.

Yes, he has a "pet peeve"—students who do not do their own laboratory work.

Prof. Noll is not a man of worries. He likes the old saying, "Never trouble trouble, till trouble troubles you." He has a philosophy which is evident in his living, that of taking things just as they come.

CONGRATULATIONS

and Thank you for your valued friendships, and patronage thru the years at York College.
