Panthers Slip 51-43 As Doane Takes NCAC Lead

The Panthers no longer lead the N. C. A. C. Doane's hot team of Tigers saw to that Tuesday night as they see-sawed to a 51-43 victory over York. The game was played on the Doane maples, and therein may lie the story of the loss, for the Panthers were the coldest they have been since the Hastings tournament.

Wayne Weber's basket shooting was the difference between the two conference and state leaders. The blond center couldn't miss and counted 21 points to lead all scorers. Grosscup gave support with 14.

Wayne Kaeding again led the blue and white scorers as he accounted for 15. Brother Jim followed closely with 12. Even they had shots that rolled all around the hoop,—and then out.

It wasn't all a Doane show, however. Once, in the first half the Panthers had a seven point lead which was soon melted away by one of Weber's hot streaks. Then, after trailing 21-22 at the half, the Yorksters pushed ahead by four points, only to see the Tigers forge on to win.

The game left Doane in sole possession of first place in both state and conference standings with a record of three victories and one defeat in state play, and three victories against no defeats in the conference.

The box scores:

York (43)	fg	ft	pf	pts
W. Kaeding, f	6	3-5	3	15
Grimes, f	1	1-2	4	3
J. Kaeding, c	4	4-5	1	12
Holbrook, f	1	1-2	0	3
Shaneyfelt, g	2	0-0	0	4
Conway, g	2	0-2	1	4
Campbell, g	1	0-0	2	2
Totals	17	9-16	11	43

Doane (51)	fg	ft	pf	pts
Grosscup, f	6	2-4	1	14
Vogt, f	4	0-1	4	8
Juarez, f	2	0-0	4	4
McMunn, f	0	0-0	0	0
Weber, c	10	1-1	2	21
Weyers, c	0	0-0	0	0
Leitsch, g	1	0-4	2	2
Phillips, g	0	1-2	0	1
Schleifer, g	0	1-2	3	1
Kenney, g	0	0-0	0	0
Totals	23	5-14	16	51

Score at half—Doane 22, York 21. Referees—Higgins, Peru and Horney, Nebraska.

Folks now realize that "Commander-in-Chief of the Armed Forces" is not just an honorary title.

Wayne Kaeding

Registration Shows Decrease As The Second Semester Gets Underway

Army Reserves Face Call; More Men Leaving York College

Navy, Air Force Men Excepted

Bulletins from the War Department issued recently indicate that men enlisted in the Army Enlisted Reserve Corps would be subject to call 14 days after the end of the first semester, at York about February 15. According to these reports, this call did not affect Navy and Air Force Reservists of which there is a majority on the Y. C. campus.

Only ones excepted from this call would be those advanced men who are taking scientific courses valuable to the war effort. They would be allowed to finish the current semester.

It was not yet determined just how the call would affect Y. C. men or how soon. Meanwhile the government, through Manpower Commissioner Paul V. McNutt advised students to stay in college until called to duty.

Enrolls Students . . .

Familiar sight to students at Y. C. is the cut above showing Registrar Anna J. Thompson arranging second semester registrations.

War, directly and indirectly, is depleting the ranks of college students these days. Eleven freshmen and three sophomores left at the end of the first semester, January 29, either for army service or for farm work.

Freshmen who are discontinuing their studies are as follows: Harold Bell of Giltner, Earl Ferguson of Beaver Crossing, Carl Waak of Hordville, Calvin Crouse of Harlan, Kansas, Robert Cunningham of York, Bill Richardson of Des Moines, Iowa, Bob Womack of Garwin, Iowa, Ralph Tewell of Waco, Harland Pankratz of York, and Badger Halsey of Fairmont.

Sophomores are Manson Crippen of Garwin, Iowa, Clarence Mabon of Phillips, and Allen Friesen of Henderson.

Josephine Hickey, freshman of Harvard, has accepted a position as stenographer at the defense plant in her home town, Harvard, but declares she will be back later to finish her college course.

New students enrolling for the second semester include: Jewell Daniel, freshman of Lockhart, New York, Oren Reger, freshman of Julian, Jane Hirschfield, freshman of Benedict, Reba Grimes, freshman of Woodston, Kansas, and Rachel Grackle, freshman of Watkin, Montana.

Registration, nearing completion, was expected to be considerably less than last semester.

Seniors Dine As Doty's Guest

Members of the class of 1943 marked "The beginning of the end" on Monday evening, February 1, as they were guests of their sponsor, Professor E. I. Doty, at the Hotel McCloud and in Professor Doty's home.

Panthers Gun for Kearney Game

Next home game for the Y. C. Panthers comes Tuesday night when Kearney's Antelopes, only team to win from the Panthers since the Hastings tournament, will be in town. After losing at Kearney 80-77 in a dramatic overtime game, York will be gunning

for a revenge victory. If the blue and white succeeds in stopping Lloyd McCullough, big-chested Kearney center, who set a new state record by scoring 42 points against them at Kearney, the Panthers might pull out a victory over the Antelopes.

Lieutenant Marvel Gives Impressions of England

By Larry Smith

The American's idea of the smallness of England is one of the first notions to be changed, according to First Lieutenant Alden Marvel '38 who recently spent a short furlough at his home in

Giltner.

Lieut. Marvel has been taking special electronics training in the Signal Corps and has been stationed with the British army at various places in England since last March. He was advanced to First Lieutenant's rating Christmas eve and assigned to duty with the American forces January 1. His next assignment will be in the United States for further specialized training.

'Burr Staff Prepares File

Sandhurr staff members are preparing an indexed file of all former students of York College known to be in any branch of the armed service. About ninety names have already been secured, but only partial addresses have been obtained for many of them, according to a member of the Press Guild.

"It is possible, too," continued the reporter, "that the number of names of former York College students now in the army or navy could be doubled if the Sandhurr readers would cooperate by sending them in."

Changes in address or other items of news concerning these men would also be appreciated, it was learned.

Lieutenant Marvel mentioned that few people in civilian clothes are encountered on the streets. Most of those still in "civies" are either munitions executives or physically unfit for service.

Everyone has to do war work of some kind and cadet groups train children in various tasks from the time they are eight years old until they are ready for regular war service. A mother may spend the day at home while her husband works and then leave to do war work during the evening while she tends the family.

While most articles are rationed including clothes, bread and sausage are not. However, since the

"Canteen" Theme Lends Touch of War To Sophomore Reception Program

War posters, streamers of the national colors, and a large victory "V" on the stage curtain formed the decorations for the annual Sophomore Reception which was held in the social rooms of the United Brethren church on the evening of Jan. 21. The theme, "Stage Door Canteen", was followed out by a varied and novelty program in which several juniors assisted.

Manson Crippen, sophomore of Garwin, Ia., was styled "Officer of the Day". "Captain" LeRoy Bott, of Alexander, Kans., president of the sophomore class, welcomed the guests. Pres. D. E. Weidler, as "General," gave the response.

A trio of junior "yardbirds" sang "Especially for You." They were Martha Tucker, Great Bend, Kans., George Shaneyfelt, Aurora, and Clifford Hartman, LeCompton, Kans.

A news feature in keeping with the program was read by Manson Crippen. Maurine Marvel, sophomore of Giltner, Nebr., and Larry

Smith, junior of Pontiac, Mich., played a piano duet, "Tea for Two", which was followed by an encore.

LeRoy Bott led the audience in singing a few popular numbers. A sophomore quartet consisting of Hal Goodrich, Portland, Ore., Gerald Edgar, Beloit, Kans., Burdell Lower, York, and LeRoy Bott sang "Der Fuehrer's Face". The song was accompanied by motions.

Gerald Edgar acted as a magician and contributed some sleight-of-hand tricks. Hal Goodrich and Maneon Crippen impersonated Bud Abbott and Lou Costello.

A poem about K. P. and "The Star Spangled Banner" were the final numbers on the program. Coffee and doughnuts were served according to "Canteen" style.

Phillips Appears In Piano Recital

Elwyn R. Phillips was presented by Miss Eda Rankin in his senior piano recital, January 25, at the United Brethren church.

The program was as follows: Bourree in g major and Bourree in g minor by Bach; Six variations—Beethoven; Gavotte—Ludwig van Beethoven; By the Sea—Schubert-Liszt; Noctourne—Respighi; Arkansas Traveler—David Guion; and Concerto, Allegro Movement—Mendelssohn.

Mr. Phillips has been active in both vocal and instrumental music.

New Courses Arranged

New courses for the second semester include: A Survey of United States History taught by Professor E. I. Doty; First Aid and Nursing taught by Miss Frieda Wirz, of York, public school nurse, and History of Education, and Advanced Educational Psychology, taught by President D. E. Weidler.

Instead, the bone is scraped and used in the manufacture of phosphorus for explosives. Paper and cloth are reprocessed and used again. Ornate metal work and miles of steel picket fencing have been contributed by the people from their homes and parks.

Blackout regulations are necessarily strict. Complete blackout is enforced from twenty minutes after sundown till twenty minutes before sunrise. Windows must be curtained so that the building appears as a solid black wall from the outside. Automobiles may use one headlight but the lens must be painted black with the exception of an opening about an inch in diameter. This opening in turn must be covered by at least three thickness of typing paper to meet with regulations. Curbing, trees, lampposts, and walls are marked with white striping.

Kearney Game Sets Records

The Panthers have gained more publicity from the game they lost to Kearney 80-77 than from any of their wins this season. The reason—two long standing scoring records were broken. The total score of 157 points bettered the old record by almost 30 points and the 42 points scored by the Antelope center, McCullough, is the best ever counted in state play by an individual.

It has also been brought to light that York is so-holder of the state record for the lowest aggregate score. In a game with Grand Island in 1928 York won by a 6-5 score. Only four field goals were made in the game.

Everyone notices your clothes — make a good impression by wearing the styles found at Russ Williams.

BOYS IN THE SERVICE

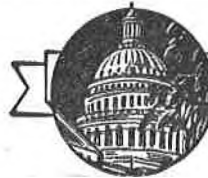

Maurice E. Brookhart, '33, is chief psychological examiner for the army at Fort Leavenworth.

Wilson Gilmore, ex-'40, has received a second lieutenant's commission at Fort Benning, Ga.

Alfred H. Kamm, '41 at last report, was expecting to receive a second lieutenant's commission and a transfer to another location. He has been stationed at Lubbock, Texas, as a staff sergeant in the Air Force.

CAPITAL to CAMPUS

A. C. P.'s Correspondent Reports from Washington

Co-Eds Please Note

WASHINGTON—(ACP)—By the end of this year, about 20 per cent of America's industrial war workers will be women—a total of 6 million of them, according to the War Manpower Commission.

In aircraft production, employment of women is expected to be greater than that of men.

The War Manpower Commission has indicated that the proposed nationwide occupational registration of women may be abandoned in favor of an "educational program" to enroll women on a voluntary basis in specific labor-shortage areas.

Proposed by the Women's advisory committee of the Manpower Commission, the new program would be aimed at women who never worked before. Questionnaires would be sent to women willing and able to do the type of work involved. A house-to-house canvass to recruit them would be made as a follow-up.

Again, during the next year, one of America's most urgent needs will be for nurses. Paul V. McNutt, Manpower director, pointed out the other day that 65,000 young women must enter nursing schools between June 30, 1943, and July 1, 1944, "if even minimum civilian and military needs of the nation are to be met." This number exceeds the 1942-43 group by 10,000. Where state nursing laws permit, schools are being urged to reduce the usual period of training from three years to 30 months, or less.

And incidentally, the Civil Service Commission is now authorized to employ part-time women workers in government agencies. That does not mean, however, that there will be part-time jobs in all cities. Part-time workers will be hired when the market for full-time employes has been exhausted.

COLLEGES STILL IN DARK

Officials in Washington now say it will be about Feb. 15 before announcement is made of which colleges and universities have been selected to train service men under the new Army-Navy college training programs.

They won't say how many colleges will be included, although guesses have ranged from 200 to 350 institutions. Navy Secretary Knox has said that small colleges won't be left out in the cold on the deal.

Army's College Requirements

WASHINGTON—(ACP)—To get into the Army's Specialized Training Program in U. S. colleges, men must get at least 110 in the Army classification test, the same grade required of those who want to take officer training.

Other requirements, previously announced, stipulate that candidates have at least a high school education. Further, they must either be in basic army training, or have completed it. Except in the case of advanced college training courses, men must be at least 18 and no more than 21 years old. There is no maximum age limits for advanced training.

Originally scheduled to start about Feb. 1, it now appears that the Army's college program won't get under way until a later date.

The Burr Speaks

Your Pep Again . . .

We regret that every year here at Y. C. it seems necessary to exhort a rather reluctant student body to show more pep in backing the team. Not only at Y. C. does this seem to be a common occurrence, for other student publications annually appear with a column or so deploring the lack of student backing for their athletic teams. Why? Here at Y. C., for a long time, we used to blame losing teams for the fact that pep was practically nil. Yet, in the last three years, with victorious basketball teams, what happens? It took us one year to get used to the situation, then last year we rejoiced in a winning team and really supported the Panthers. This year we seem to take our victories for granted so much that even the townspeople out yell us and outdo us in their support of the team.

We have good cheer leaders, and we have good yells. All we need is cooperation with them. Doing that would probably make the game more fun, too. After all the Panthers are our team, and we should be setting the example in supporting them rather than the city fans. Could we remember that Tuesday night against Kearney?

LIEUTENANT MARVEL GIVES IMPRESSIONS OF ENGLAND

(Continued from Page One)

law does not permit more than 30% meat in sausage; the other 70% consists of bread. "You might say," said Lieut. Marvel, "the only things that aren't rationed are bread and bread." A whole wheat loaf known as National bread is the only kind of bread baked, and because of a paper shortage it is not wrapped. If a customer wishes his purchase wrapped, he brings his own paper. This is also true with meat and other purchases. A week's ration of meat would be a fair supply for one meal. Butter is unobtainable and while rations allow one egg a week, a person in a city is fortunate to get one once in three months. Recently lend-lease ship-

ments of dried eggs have arrived, and while these make good scrambled eggs, they're not much good for frying or boiling, according to Lieut. Marvel. Everyone has enough to eat, although the variety is small. Fruits grown in the country are available, but oranges can be had only for children under five years or by a doctor's prescription. Bananas have not been on the markets for four years.

The Britishers have their scrap drives too, but they are carried on in a much more serious fashion than in the U. S. In speaking of the method of collection, Lieut. Marvel told of rows of cans on each block, each can for a specific type of scrap. These cans might be labeled "pig food," "cloth," "paper," "metal," "bones," etc. It would be considered unpatriotic to give an old soupbone to a dog.

York Holds NCAC Lead; Pounds Midland 71-39

PANTHER SPORTS

FEBRUARY 5, 1943

THE SANDBURR

THREE

PANTHER PATER

"Larry"

The Panthers are sitting on top of the heap in both NCAC and state play. Three conference wins give them church league honors and are enough to secure top place in the state in spite of the 80-77 defeat handed them by Kearney in an overtime period. By the time this issue of the Sandburr is published, York will have played the Doane Tigers at Crete, and undisputed leadership of the NCAC will have been decided. Trips to Hastings and Midland are in the offing for future conference frays.

Judging from his ability to score in the closing minutes of a game, DuWayne Grimes should be nominated as the Panthers' "Last Minute Man." In three close games this season, he has scored with only seconds left to play. In the Wayne game his basket boosted the York lead to four points with less than five seconds to go. At Wesleyan he contributed one of the baskets that tied the score in the closing minutes. And at Kearney when the Panthers scored three baskets in the last 30 seconds to tie the score, one of them was tossed by Grimes. Starting regularly now, "Burley" is playing the best ball of his college career. He is aggressive, works smoothly on the fast break, and snares rebounds. He proved his worth defensively in the Midland game when he was shifted to guard John Schwartz. Schwartz had scored 12 points in the first eleven minutes but did not score again until Grimes was replaced by a reserve about 18 minutes later.

York fans are getting used to seeing the scoreboard give the Panthers the small end of the score at the end of the game but they are not at all perturbed. The scoreboard registers only to 60, and the Yorkmen have passed that figure in four of the five home games this season. They have averaged 59.4 points per game and allowed their opponents an average of 44 points per game in their eight starts.

Conference victory number three came the easy way for the Panthers as they overran the Midland Warriors 71-39 on the York floor January 23. It was a typical York-Midland game with fast and rough play giving plenty of thrills to over 600 fans.

Grimes opened the scoring with a free throw after Petrow had fouled him on the tip off and Wayne Kaeding scored on a fast break to give York a lead. Then John Schwartz got hot and scored three baskets for a Midland lead. Shaneyfelt and the Kaedings began hitting for York and kept pace with Schwartz to bring the score to 14-14 after eleven minutes of play. John Schwartz had scored 12 of Midland's points but was not to score again until York reserves entered the game.

York Runs Wild

In the next nine minutes York controlled the floor as they outscored the Warriors 26 to 5, and the half ended with the Panthers in front 40-19. The Kaedings, Grimes, Shaneyfelt, and Conway all contributed in piling up the lead.

Petrow, having played little more than a quarter in the first half, started again in the second period but fouled out after less than three minutes of play. The Panthers were still riddling the Warrior defense when Coach Roland Tonkin started sending in the reserves. The entire first string was removed as the fourth quarter began and turned a 64-32 lead over to the reserves. For eight minutes the reserves swapped baskets on even terms with the Warriors and the game ended 71-39 in York's favor.

Wayne Leads Scoring

Although Wayne Kaeding played only a little over half of the game, his 21 points topped individual scoring. In about the same length of time brother Jim netted 17 to rate behind John Schwartz who led the Warriors with 20 points. Shaneyfelt added 13 and Grimes 7 to the York total.

In a preliminary game the Panther B team defeated the Benedict town team 46-38.

The box score:

Midland (89)	fg	ft	pf
John Schwartz, f	9	2	1
Somers, f	1	0	1
Petrow, f	0	0	4
Rangeler, f	1	0	1
J. Schwartz, c	3	2	4

Shaneyfelt, g	6	1	2
Hartman, g	2	0	2
Campbell, g	0	0	3
Conway, g	1	0	1
Ferguson, g	0	1	0
Totals	33	5	11

Free throws missed: W. Kaeding 4, Grimes 1, Auchard 3, J. Kaeding 1; John Schwartz 2, Petrow 1, Jack Schwartz 3, Newcom 1.

Score at half: York 40, Midland 19.

Referees: Roper, Lincoln; Dallah, Hampton.

Kearney Wins Overtime 80-77

You haven't heard everything until you've read this. York's Panthers bowed to Kearney Antelopes 80-77 January 19, but the score wasn't the only stupendous thing. Check this list:

(1) The game was overtime, the score being tied 74-74 at the end of the regular playing time.

(2) The Panthers were trailing by 14 points with three minutes left in the game when they exploded with a rally that tied the

game.

(3) In thirty seconds before the game ended, the Panthers scored six points.

(4) Lloyd McCullough, Kearney center, broke the state scoring record by sifting in 42 counters.

(5) That's all,—except that there was one tired referee.

Of course York's Kaedings weren't sitting around doing nothing, and before the track meet

was over, Wayne had 28 points and Jim 21. Shaneyfelt, meanwhile, played a great floor game from his guard position, and posted 18 in the total points column.

Veteran sports observers all over the state agreed after the game that it was the most thrilling clash in Nebraska college history. For the last ten minutes of the game, the spectators hung over the balcony, gasped, and yelled.

Panthers Seek Revenge Win Over Kearney Tuesday

One of the best games remaining on the Panther home schedule this season is on tap for Tuesday night when the Kearney Antelopes meet the Panthers on the York City Auditorium floor.

It will be a revenge game for the Panthers, still pretty sore over the overtime loss, 80-77, at Kearney January 19, which Kearney is still talking about. That was the only game the Panthers had dropped in state competition since the tournament at

Hastings.

If York does as well in this revenge game as they have done in their others this year, the Antelopes will have a long evening. After Midland and Hastings had beaten York in the tournament, the Panthers trounced them resoundingly in later games.

Biggest problem for Tonkin's men will be stopping McCullough, Kearney center, who posted 42 points to beat them at Kearney.

PANTHER PERSONALITIES

Cleo Campbell

Jim Kaeding

As we possess a crack basketball team this year, you will enjoy reading about our Panthers' personnel. We initiate our reviews of York's "Maple Pounders" by presenting Cleo, "Shotgun", Campbell, and Jake "Scrapper", Kaeding.

Although he is not a high scoring guard, Cleo has a steady influence on the Panther defense. Standing 5'11", and weighing 195 lbs., "Shotgun" has shown much improvement in his floor work and passing over last year. Cleo played his high school basketball at York, and now as a sophomore at Y. C. is playing his second season.

Campbell's best game to date was chalked up in the Panther's 50-46 conquest of Wayne, in which his floor game was a standout.

Now we bring you Jim Kaeding, of Benedict, who is one-half of the "clever Kaeding act." This is "Scrapper's" third year as a high scoring regular for the Panthers, and so far this season he is averaging 15 points per game at his forward position.

Jim's best game this season was displayed in Y. C.'s 71-39 triumph over Midland, as he rang the bell for 17 points and passed brilliantly.

Weighing a mere 145 lbs., "Scrapper" has disregarded this handicap, and gone on to shine in tough college competition. He is undoubtedly one of the key men in York's offensive power, and will do his share in keeping the Panthers in the win column.

Next issue we bring you two more Panthers on parade.

Fairbury Junior Goes Down 64-20

With the B-team playing over half the game, the York Panthers won over Fairbury Junior college by a score of 64 to 20 here January 29.

The Reserves came on the floor at the end of ten minutes' play with the score 25 to 5 in favor of York. By the end of the half, it was 39 to 12. With nine minutes left to play and the score 44 to 16, the first team came back and ran it up to 58 to 19. The B-team finished the remaining few minutes of the game.

York's high scorers were Wayne Kaeding with 16 points and George Shaneyfelt with 10 points. Reid led the Fairbury quintet with seven points.

Keeper of York was referee.

Roosevelt, Churchill, De Gaulle and Giraud shook hands. Hitler, Benito and Tojo just shook.

Press Guild Feasts, Sighs No More At Regular Monthly Meeting

Alexander the Great may have sighed for more worlds to conquer, but members of the Press Guild did not sigh for more food after their last monthly meeting which occurred on Monday evening, January 18, instead of on the customary third Thursday of the month.

Members arrived at 6:30 p. m. at the home of their sponsor, Miss Edith Callender, head of the English department, laden with dishes of hot food, rolls, salads, and other viands. Coffee and dessert were furnished by the hostess. Surprise was expressed that anything was still hot on arrival, for the evening was the coldest of the winter thus far, the mercury reaching 20 degrees below zero

later that night.

After the tables were cleared, Editor DuWayne Grimes, senior of Harlan, Kans. and president of the Press Guild, conducted a brief business meeting and then explained to the reporters the details of "making up" the *Sandburr*, including the kinds of headlines and type chosen and the method of preparing the "dummy". Games occupied the remainder of the time. Only one member was absent.

Visit Home

Edwina Bomhoff, senior of Wichita, Kans., spent last weekend at her home, and Margaret Trout, junior of Culbertson, and Elwyn Phillips, senior of Merna, went to Merna.

Y. M. C. A. Installs Officers

Against a background of candles and a picture of Christ, the new Y. M. C. A. officers were installed in their offices.

The officers installed were: president, LeRoy Bott of Alexander, Kansas; vice-president, Robert Gillespie of Glendale, California; secretary, Gerald Edgar of

Beloit, Kansas; treasurer, Lester Bollesen of Cotesfield; student council representative, Howard DeBoer of York; and sponsor, Dr. W. E. Bachman Dean of York College.

The meeting was closed by a prayer.

Tapestry Serves As Theme For Y. W. Program

"Feelings woven into our lives are like the colors woven into a piece of tapestry." This was the theme of the Y. W. meeting on Tuesday, Jan. 26.

Esther Peters, Evelyn Ediger, Sarah Boehr, and Elsie Huebert, all freshman from Henderson, sang "Fairrest Lord Jesus." Jean Hollen of Wray, Colo., also a freshman, was in charge of devotions, and Esther Johnson, senior of Merna, sang "Life's Weaving." She was accompanied by Margaret Trout, junior of Culbertson.

Betty Mae Taylor, freshman of York, described joy as being the yellow color in the piece of tapestry. Mrs. Evangeline Tracy, freshman from Strang, told of sorrow as being the black color in tapestry and in life.

Eloise Tabor, senior of Spokane, Washington, spoke on love as the color of red, and Helen Hall of Parsons, Kans., also a senior, spoke on purity as being the white color.

Nancy Fellers, freshman of Denver, Colo., read the poem "The Weaver" by Anson Chester.

Doris Gilmore Chosen New Zeta Sponsor

Miss Doris Gilmore, secretary to President D. E. Weidler, will be the new Zeta Literary Society sponsor. She was chosen by the members at the meeting held in the art room on Tuesday evening, Jan. 19.

Chili, hot tamales, fruit juice, and cookies were served by Mrs. Zelma Arnold, sponsor of the society, who left at the end of the semester to join her husband in Texas.

In keeping with the Mexican theme of the meeting, Daisy Million, junior of Noel, Mo., formerly of New Mexico, gave a talk on Mexican fiestas, schools, and food.

At the business meeting, Elwyn Phillips, president and senior of Merna, named Ruby Grandon, freshman of Burrton, Kans. Esther Megill, freshman of York, and Daisy Million, as the nominating committee for new officers for the second semester.

The society presented Mrs. Arnold with a Roseville pottery vase as a token of their appreciation for her services as Zeta sponsor during the first semester.

Dr. Savery Speaks At Last Meeting

Winifred Smith, junior of Enid, Okla., and Lorraine Garlock, junior, Trenton, Mo., were selected as president and vice-president of the Life Work Recruits at the meeting Jan. 27. Winifred succeeds Larry Smith as head of the organization. Dick Foulk, junior of Adrian, Mich., was chosen librarian.

Other officers who had been elected the week before were announced as follows: Maurine Marvel, sophomore, Giltner, secretary; Mary Miller, sophomore, Broken Bow, treasurer; Ruth Wiren, freshman, Woodston, Kans., pianist; Virginia Hinkel, senior, Cambridge, Iowa, African project chairman; Esther Johnson, senior, Merna, gospel team chairman; Thelma Rockhold, freshman, Salina, Kans., student council representative; and Professor J. C. Morgan, head of the classical languages department, faculty advisor.

Dr. G. T. Savery, pastor of the United Brethren Church, gave a talk on "Books." He said that reading is a habit people should develop and not feel while they are reading that there is anything more important they could be doing.

Hinkel Heads PALS Society

Virginia Hinkel, senior of Cambridge, Iowa, and Edwina Bomhoff, senior of Wichita, Kansas, were elected president and vice president of the PALS at their regular meeting, January 26.

Other officers elected were: Gerald Edgar, sophomore of Beloit, Kansas, treasurer; Ethel Brooks, freshman of Cedar Rapids, Iowa, secretary; Miss Mary Alice Snee, faculty sponsor and critic; Louis Webb, senior of Dubois, sergeant-at-arms. LeRoy Bott, sophomore of Alexander, Kansas, chaplain; Esther Johnson, senior of Merna, musical director; and Maurine Marvel, sophomore of Giltner, pianist. Merle Pulver, junior of Mechanicsville, Iowa; Thelma Rockhold, freshman of
