

'Burr Reporter Interviews Three New Staff Members

Koontz Added To Music Department

James Koontz, '42, has returned to his alma mater after teaching for four years in the high schools at Ponca and Wakefield. He has had special courses in stringed instruments at Wayne State Teachers College, Wayne, and served on their summer music faculty. He also took graduate work at Drake University at Des Moines, Ia. Al-

though music is his chief interest, Mr. Koontz has also taught science, speech, and dramatics.

"I detect a great deal of interest in music on the campus, and I think it will grow," said Koontz. He was originally engaged at York to increase the offerings in high school methods and to assist Dean Charles Amadon. Since Dean Amadon's illness has so far prevented his return to the college, Mr. Koontz has shouldered the complete load.

When asked about tentative plans, Mr. Koontz said, "It's time the chorus got back on the road." Work will soon begin on the "Messiah" and perhaps plans will be made for an Easter oratorio.

Mr. Koontz is much pleased with the work of the Glee Clubs. He said, "I have always been interested in college work and was really tickled to come to York."

CHEERLEADERS ELECTED

Result of cheerleader election is the following squad: Milton Snow, (squad captain), junior, Des Moines, Ia.; Norma Jean Anderson, junior, York; Wanda Miller, junior, Russell, Kans.; Opal Anderson, sophomore, York; Kendall Martin, sophomore, Concordia, Kans.

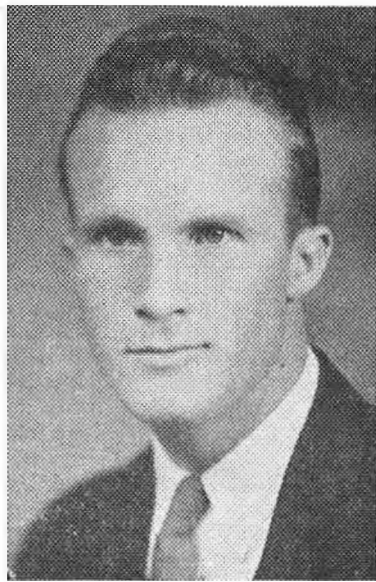

Two new megaphones were purchased by the Panther Club for this year. When asked what the cheerleaders' plans were for this year, the squad captain stated, "We'll lead the yells, our team will play the game, and the college will furnish the school spirit and pep. Pep isn't made by a group of students; it's made by all the students."

ANNUAL HARVEST FESTIVAL HELD

A colorful arrangement of autumn fruits decorated the college church at the traditional Annual Harvest Festival held Sunday, September 28. Denny Auchard, senior, Alexander, Kans., presided at the evening service which was presented entirely by young people, and Prof. Bruce Herrick, of the Religious Education department assisted at the organ. Mary Catharine Van Buren, freshman, Whittier, Calif., read the scripture lesson, and Mary Jane Urbach of the college church offered the evening prayer.

Three aspects of the theme, "Gratitude" were discussed. Robert Embree, freshman, Broken Bow, had the topic, "For Our Country"; Milo Lauffer, junior, York, "For Education"; and John Karutz, sophomore, Stockton, Cal., "For Freedom of Religion".

LEAMING RETURNS TO YORK COLLEGE

The Rev. Vaughn Leaming, '41, has arrived in York with his wife and two children to serve in the capacity of director of finance on the Y. C. administration.

Mr. Leaming comes to York from the First E. U. B. church of Kansas City, Mo., where he was serving as pastor. In 1938-40 he represented York College in the world friendship movement in Sierra Leone, West Africa.

Some of the various positions Mr. Leaming will assume on the Y. C. campus are: director of finance, publicity director, and director of public relations. He will also do field work and will assist President Bachman.

"My first couple of weeks in York will be spent reconditioning and remodeling my new home", said Mr. Leaming in reference to his residence at 1934 Blackburn Ave.

Having just returned from the Missouri conference at Kansas City, he will fulfill his first official assignment by attending the youth conference at Des Moines, Ia., beginning Oct. 12.

The Miller brothers, Lee and Dick, of Ventura, Ia., hold the respective offices of president and vice-president, of the Men's class with Ronald Martin, freshman, Whittier, Calif., as secretary-treasurer.

President of the Women's class is Mary Alice Riggs, junior, Ames, Ia.; the vice-president is Jasmine Ingraham, senior, Sewel, Ia., and the secretary and treasurer is Pauline Smeltzer, sophomore, Fulton, Mo.

Mrs. Luper Begins Work as Hostess

"I've got the finest group of girls in 18 states," declares Mrs. W. S. Luper, the new matron of Hulitt Hall. Mrs. Luper came to York after serving with her husband for 20 years in the Kansas conference. She taught in a Reno County, Kans. grade school for the last three years.

Mrs. Luper arrived at York College six weeks before registration to supervise the redecorating of the Annex and Hulitt Conservatory. She hopes before the year is over to have many other improvements in these buildings.

"All my life I've looked for time to work with girls, and now to have 40 top-notch girls and nothing else to do, is wonderful," said the house-mother. All her time is devoted to making a "homey", cultured place for young women at York College.

"Home, Sweet Homecoming" Featured By PALS

The open meeting of the PALS Literary Society centered around a skit entitled "Home, Sweet Homecoming," which stressed the ideals of the society.

Leland Miller, president, senior, Ventura, Ia., and Bonnie Ackland, treasurer, junior, Ames, Ia., father and mother respectively in the skit, welcomed society members and visitors.

The program opened with a recording of the song, "The Lord's Prayer," after which the children, portrayed by Merle Riggs, sophomore, Merna; Iona Shaw, senior, Great Falls, Mont.; Ruth Sanchez, senior, Holman, New Mex.; Eunice Goodrich, senior, Portland, Ore.; and Richard Riggs, York, arrived home. The PALS quartet composed of Milton Snow, Des Moines, Ia., Richard Riggs, Merle Riggs, and Leland Miller entertained the group with a selection of songs after which refreshments of sandwiches and punch were served.

Hi-Lites from Chapel Talks

by Louis Rachow

Enter Into Marriage Sensibly

"Religion is the most important test for a happy marriage," declared the Rev. John L. Shell, pastor of the First Presbyterian Church of York, in the last formal chapel address.

The speaker continued by saying that love is one of the most beautiful things God has given us. It means so much to so many people. It is the basis of a Christian home, which in return, is the foundation of America.

Be Yourself!

"Be yourself!" This was the statement made by W. L. Kirkpatrick, York attorney, in a recent chapel address.

"Man is endowed with a sense of right and wrong; he is endowed with the power to choose which course he shall take," declared the speaker.

Preserve Civilization with Goodness

"The atomic bomb is a part of our world dilemma which can be solved only by the discovery of a moral equivalent of atomic power" declared Dr. G. T. Savery, pastor of the college church, in a recent formal chapel address.

Dr. Savery said that when fear, hate, ugliness, and discord are conquered, we are spiritually exalted by a spiritual experience.

Keep Aware of College Relationships

It is the duty of every teacher to instruct and to educate, and to develop personality and character in students. This was the essence of a recent chapel talk by Prof. E. I. Doty, head of the political science department.

"Individual faculty members must be aware of the relationships in the school curriculum," declared Prof. Doty.

Rev. and Mrs. Paul Riggs of Merna, ex-'23, were campus visitors of their son, Merl Riggs, sophomore, and daughter Betty Jean Riggs, sophomore.

They Tramped These Halls

By Prof. J. C. Morgan

Mrs. Ruth Spore Sterrett, '36, and three children will reside in York this year while her husband, Mr. Delbert Sterrett, is completing his work for a degree at Columbia University.

Miss Esther Megill, '46, is director of the Central Girls' club, Dayton, Ohio. This club is composed of girls both white and Negro from ages nine to fourteen.

A very welcome visitor to the campus recently was Mr. Jack Graham of Philadelphia, Penn. Jack is now with the United States Geological Survey of the Interior Department.

Mrs. Ardith Kull Melloh, '30, visited friends and relatives in York the past week. Her husband,

Prof. Arthur Melloh, now holds a supervising position in the engineering department of Texas A & M, College Station, Texas.

Mrs. Jeanette Bisset Hoffman, '32, and small daughter of Limon, Colo., are visiting her parents, Dr. and Mrs. Charles Bisset.

Rudolph Rojahn, ex-'48, will spend his senior year at the college in his home town, Stockton, Calif.

Miss Mary Lue Warner, '41, who since her graduation, has taught in the mission school at Santa Cruz, New Mex., has accepted a position in the office of the Board of Home Missions and Church Erection, Dayton, Ohio.

Miss Ruth Black, a former voice student of Dean Charles Amadon, has been accepted as a student by the Juilliard School of Music in New York City.

Seniorities

If you have ever wondered what is wrong with Mary Anderson — well, this is strictly off the record — she was bucked off a horse and landed on her head.

Such are the implications of the life of the only York College senior from Colorado—she has her ups and downs!

Mary's major is history and her minors are English and Spanish. After graduation she plans to spend two years teaching in Alaska and from there her future is undecided.

One of her favorite activities is music. Mary not only plays the piano and sings, but she also composes. In addition, she is interested in writing poetry.

"Horsefeathers" is her favorite saying, at least for this week. Riding horses is her favorite pastime.

Other outside interests concern a young man who is attending the University of Colorado at Boulder. He is a Sig Ep and his first initial is Howard.

"Versatile" is an in-a-word definition of one of the busiest seniors, C. Denny Auchard, of Alexander, Kans. "Auch" is interested in college government, college athletics, and occasionally, the fine art of studying.

As president of the student council, Denny helps to promote desired changes on the campus. He hasn't had Coca-Cola installed in the drinking fountains, but he is working on it.

This season Denny enters his third year of football. He also participates in basketball and track. Basketball is his favorite sport and this season will be his fourth.

Denny is majoring in mathematics and plans to teach and coach after graduation. His minors are English and education. He is a member of Y. M. C. A., Zetas, and "Y" Club.

Tinkering around with radios and record players takes up most of his allegedly spare time. I say most of his spare time because "Faith knows what he does with the rest".

COME ON IN! THE WATER'S FINE!

One of the first things that confronts a new student on the campus is a group of activities all clamoring for his attention and his name on the membership roll.

Somewhere in between is the ideal or the happy medium. There is a definite relationship between those students who make the top grades and those who are in a lot of activities.

Each student by now knows his schedule and where he can fit his activities in. Now is the time for all to join organizations and make use of one of the most educational aspects of campus life.

Remember: "Him who no jump in, no mak-um splash!"

William Allaway Speaks On World Conference

"You're not giving to the World Service Fund because it is fashionable; you're giving because somebody depends on it to live", William Allaway told members of YMCA and YWCA at an informal address in Hulitt Hall on Oct. 1.

"The students of Europe are starved mentally as well as physically," said Mr. Allaway. "The European student has an unquenchable thirst for knowledge that you won't find in the U. S. We are intellectual peasants compared to them."

Mr. Allaway described his trip which included stops in England, Scotland, France, Denmark, Sweden, Norway, Holland, Belgium, and Switzerland. He told of staying with other students in a Swedish pastor's home and preaching in a Swedish church.

Mr. Allaway stated that besides aid through the W. S. S. F., students can communicate by letter with European students. Many of the European students know English. Name lists can be obtained from the W. S. S. F. headquarters.

Richard Riggs, senior of York, and family made a recent trip to Denver, Colo. to assist Charles Boone, freshman of Denver, and brother-in-law of Riggs, in moving to York.

From the Quill Nook

College papers from all over the country can be found in the Sandburr "Quill Nook" in the library. A glance through these publications tells us of activities in other colleges in the state.

A women's dormitory, a chapel and auditorium, and a physical education building will be added to the campus scene at Concordia college in Seward. This year their student body includes enrollees from 22 states and Canada. Night classes are being organized to care for the overflow in classrooms and any special students.

The drama department at Midland college in Fremont announces its first play of the season. "The Great Big Doorstep" will be given in October.

At Doane college in Crete, Dr. Gage, of Cedar Rapids, Ia., has been installed as president Ad Interim. A survey of the Tiger enrollment shows a representative from 11 states, as well as Guam and Bolivia. An active reporter on the Doane publication interviewed students about a subject dear to the hearts of every coed, long skirts. These terse comments from the male of the species prove that college men are all alike. Said one Doanean, "Don't draw the curtain 'till the show's over!" Said another, "Can't see it!"

Dick Riggs, senior, believes in proper discipline for vehicles, and apparently his have been correctly trained. Dick drove the car into the drive-way, blessing his luck, and immediately a front tire, "having fought the good fight," took a well-earned rest. All those interested in having "convenient" flat tires, see Dick.

Doane Tigers Take 14-6 Win From Panthers

Punches, Doane Center, Receives Broken Neck In 4th Quarter of Game

Doane, last year's Conference champs, defeated the Panthers 14 to 6 in a hard fought, tight game with relatively few penalties Friday night at East Hill Park.

Dick Punches, Doane center, from Wymora, received a cracked neck vertebra and will probably be in the York hospital for three weeks.

Both teams played the game all the way. Coach R. E. Tonkin started the game with fast light backs. The Panthers' weight was 154 to the Tigers' 172 in the backfield. The team weights were 183 for Doane and 172 for York.

The first quarter seesawed back and forth with a 30 yard end run by Bruere putting the Tigers in Panther territory as the period ended.

At the beginning of the second quarter, the Tigers attempted a field goal from the York 7 but it was no good. York then began a march and reached the Tigers' 43 where McDowell intercepted a pass and ran it back to the Panthers' 11. Gifford came up behind to make the tackle. Tyson carried it over and Morrison kicked the extra point.

York punted shortly after the half, and the Tigers by end runs, and a pass scored from York's 22. Butler carried it over and Morrison again converted. York took the kickoff and marched from their own 20 to the Tigers' 30 before they were stopped.

In the closing minutes of the game, York began a march from their own 42. Passes were completed to DeBoer and Dick, and line bucks brought it to the York 7. Gifford carried it over but the try for the extra point failed. In the last seconds of the game, the Tigers got away for a 38 yard run.

Sports Dope

By Denny

Both barrels have been fired, and by now the many Nebraska colleges are well into a yet-to-be-successful or unsuccessful football season. Since our interests center around the N. C. C., let us talk about the N. C. C.

Most of the conference teams opened their 1947 season on September 19. The only conference tilt was between York and Kearney. Kearney ruined York's inaugural 26-6. The other conference schools played mostly out of state colleges, and all were successful as Midland won over Bethany College, Lindsborg, Kansas, 13-0; Doane over Simpson College, Simpson, Iowa, 40-0; Chadron over South Dakota Mines 41-6; and Wesleyan over Omaha University 21-0.

The race proper for the conference title started September 26 with only Wesleyan not playing a conference game. Doane got off to a sputtering start of defending its 1946 title by tying Peru State 7-7. Midland and Wayne also played to a 6-6 dead-lock. Kearney rolled on to its second conference win by defeating Hastings 24-7. York was humbled in its second conference game by a 19-6 defeat at the hands of Chadron State.

The week ending October third has brought about four more conference tilts. Doane tamed a stubborn York team 14-7; Wayne held Wesleyan to a 13-13 tie; Peru rapped Midland by a 21-0 score; and Chadron converted to win over Kearney by a 7-6 score.

Surprises! Well, I guess: Chadron State, eighth place winner in the 1946 conference standings, has zoomed into undisputed first place in the 1947 race by their 7-6 win over Kearney. Another surprise was the 13-13 tie between Wesleyan and Wayne. Last year Wesleyan finished in second place while Wayne finished sixth. Peru's 21-0 defeat over Midland makes the future look a little brighter for Y. C. By statistics York will have a slight edge over Midland when they tangle at Midland on October tenth. Last year Midland won over York by a 20-14 score. So, you Y. C. fans, keep your fingers crossed.

The Standings:

	W	L	T
Chadron	2	0	0
Doane	1	0	1
Peru	1	0	1
Wayne	0	0	2
Wesleyan	0	0	1
Kearney	1	1	0
Midland	0	1	1
Hastings	0	1	0
York	0	3	0

Sportraits . . .

By Wicky

Cecil Rockhold . . . "Rocky" for short . . . six feet and one inch . . . brown eyes . . . brown hair (latest crew-cut vogue) . . . 165 pounds.

Rocky, freshman from Salina, Kans., plays center in the football team. He lettered two years in football, three in track, and one in basketball while in high school.

When he was asked if he had any hobbies, all Rocky could do was to chuckle. His future plans are centered around coaching.

A typical "freshman-court-judge" statement from Rocky is, "I don't have any socks on this morning . . . no, don't put that down! People will think I don't have any."

Lee Miller . . . senior . . . dark brown hair, blue eyes, 215 pounds stretched out five feet and eleven and one-half inches.

"Playing tackle isn't bad when you can play right tackle the first half of the game and left tackle the second," said Lee. He likes to get acquainted with as many players as possible.

A preministerial student, Lee is president of O. B. N., and also president of the PALS. This year he added Jasmine to his list of "permanent" responsibilities.

One of Lee's hobbies and talents is his adaptability to work in the kitchen.

For all Iowa fans, Lee comes from Ventura, Ia.

Chadron 'Powers' Way to Victory Over Panthers

Conway Scores Lone Panther Touchdown

Two touchdowns in the last quarter cinched a win 19-6, for Chadron over the Panthers on the Chadron home field, Sept. 26. It was a bad night for the Panthers as they appeared keyed-up the entire game.

Jim Conway, Panther left end, scored the lone touchdown for Y. C. when he picked up a Chadron fumble and scooted 55 yards for six points.

The Panthers lacked the punch to put over the ball from the five yard line after a 65 yard sprint by Ross Speece, York's speedy halfback, had set-up a touchdown possibility.

Chadron scored first with a series of power plays through the York line. Likewise, they scored twice in the second half by power plays and end runs. Blustery weather and a strong south easterly wind hampered the aerial attack and punting for both teams.

The Panthers' offensive play was poor but the defense seemed to have improved over that of the Kearney game. It seemed that the York backs were not able to cut loose into the open field. Defensively the Panthers held in the line but the hard running Chadron backs ran the ends for many a first down.

Student Christian Associations Meet

I. R. C. Elects

A special election was held recently by the International Relations Club to fill vacancies created when officers elected last spring failed to return for the fall term. Warren Porter, sophomore of Aurora and president of the club, was elected student council representative and Mary Katherine Jackson, sophomore of Adrian, Mo., was named secretary.

TEN NEW MEMBERS INITIATED BY W. A. A.

Ten initiates successfully passed the various requirements to become full-fledged W. A. A. members last Saturday night. About midnight twenty-five girls and co-sponsor, Miss Irene Shipley, gathered at the home of Miss Zelda M. Wakelin, sponsor of W. A. A., for a "slumber-less" party. After a "light dose" of gymnastics, refreshments were served and then every one settled down to wait for the morning.

Lois Shaneyfelt, senior, Central City, president of W. A. A. accepted the following new members: Lucille Keefe, junior, Telferner, Texas; Mary Catharine Van Buren, and Alberta Bethke of Whittier, Calif.; Georgann Hoff, Los Alamos, New Mex.; Lois Dever, Adrian, Mo.; Cora Marquez, Santa Fe, New Mex.; Faith Meggill, Arkansas City, Kans.; Helen Sanchez, Holman, New Mex.; Frances Porter, Aurora, and Lois Miller, Dawson, all freshmen.

PANTHERETTES HAVE PICNIC

Twenty-two new members were welcomed into the Pantherettes at a wiener roast held at Harrison Park Sept. 26. After a brisk hike across town, new and former members of this pep club consumed hot roasted wieners, potato chips, chocolate milk, and rolls.

Lois Shaneyfelt, senior, Central City, read the newly revised constitution and Carolynn Meeker, club president, sophomore, Enid, Okla., welcomed the new members. To complete the picnic, Jane Martin, senior, Concordia, Kans., directed the group in some games.

YMCA RECEIVES 31 NEW MEMBERS

Four new Y. M. C. A. officers were recently elected to fill vacancies left by members who are not enrolled in college this year. Emphasis was placed upon the triangle of the Christian association—the body, the mind, and the soul. Approximately 31 new members were taken into the organization at the last meeting.

The officers elected are: vice-president, Dick Miller, sophomore of Ventura, Ia.; Student Council representative, Merl Riggs, sophomore of Merna; chorister, Milton Snow, junior of Des Moines, Ia., and sponsor, Prof. Bruce Herrick, of the religion and philosophy department. Leslie Herron, junior of Ames, Ia., was re-elected as skate chairman. Serving on the skate refreshment committee are Don Watson, sophomore of York, and Merwin Kurtz, junior of York.

Mark Fahrung, sophomore of York and president of the Y. M. C. A., Dick Miller, Warren Porter, sophomore of Aurora, and Prof. Bruce Herrick, presented the purposes of the Y. M. C. A. triangle.

Recruits Hold Campfire Service

In the light of a glowing campfire, Life Work Recruits renewed their covenants with God. The consecration service and opening song session of favorite choruses was conducted by Robert Jaquiss, sophomore, Brookfield, Mo., at a campfire meeting, Sept. 29.

"Build yourself a bridge. Whether it be to lead or to follow, to plan or to counsel," said Jaquiss. "Promise God that you will do your best." Poems by Lois Riddle, sophomore, Brookfield, Mo., Lois Dever, freshman, Adrian, Mo., and scripture by Ralph Amen, sophomore, Cheyenne, Wyo. completed the campfire service.

YWCA STUDIES LETTER WRITING

Y. W. C. A. women were given a chance to learn more about letter writing Tuesday when the topic for the morning was "Writing Letters Is Fun."

Different phases of letter writing were discussed by various members. Carolyn Meeker, sophomore, Enid, Okla., talked on "Letters—Young and Old." Correct methods of writing acceptances and regrets was the main thought of the talk given by Bonnie Ackland, junior, Ames, Ia. Ethel Brooks, senior, Cedar Rapids, Ia., told what should be contained in letters of sympathy, and Eunice Goodrich, senior, Portland, Ore., discussed "thank you" and "congratulation" letters. Hope Howland, senior, Kansas City, Kans., discussed pleasing combinations of stationary and ink that could be used in letter writing. A solo was sung by Barbara Dick, DuBois.

Mr. and Mrs. H. N. Campbell and sons, Earl and Dick, of Trenton, Mo., attended the Kearney game and visited their son, Floyd, freshman, and daughter, Cynthia, sophomore.

CHRISTIAN SPEECH IS STUDIED BY RECRUITS

One way for people To get along well, Is the habit of knowing More than they tell.

Some people have trouble Wherever they go, Because of their telling More than they know.

The above lines contain, in a nutshell, the thoughts expressed at the Life Work Recruits' meeting Oct. 6, the theme of which was "Hold Your Tongue".

James Bergland, sophomore, Glendive, Mont., discussed the time to talk and not talk. "If you can't say something good, don't say anything", was the advice of Harriet Thomas, junior, Topeka, Kans. Donald Light, sophomore, Salina, Kans. concluded the talks on the use of spiritual conversation.

The entire program included: prayer by Charles Williams, junior, Sierra Leone, North Africa; scripture, Pauline Smeltzer, sophomore, Fulton, Mo.; a musical number by Albert Bethke and Catherine Van Buren, freshmen, Whittier, Calif.; and the benediction by Merwin Kurtz, junior, Alton, Kans.

Richard Riggs, senior of York, and family visited relatives in Ames, Ia., recently.

Hicks Addresses O. B. N.

A message of "challenge" in a "time of uncertainty" was given to the OBN, campus organization of pre-ministerial students, by the Rev. Kenneth Hicks, '47, of Bradshaw, who used the title, "OBN Looking Forward" at the evening meeting of the organization at the E. U. B. church on Sept. 25. Vice president Marvin Herrick, senior, York, presided. Marvin Garlock, senior, York, led the devotionals.

"It is our task to find the good word of which the text speaks," said Mr. Hicks, referring to Prov. 12:25. He urged young ministers to develop their devotion to God through private worship, and meditation. "A faith to live by and a cause to serve can be developed," concluded Mr. Hicks.

Following the meeting, members attended the program by the Philander Smith College singers at the local Methodist church.

President Walter E. Bachman attended the Missouri conference held at Trenton, Mo., September 25 to 28.
