## KANSAS TO FURNISH TWENTY ROOMS IN NEW DORMITORY

Twenty rooms in the new dormitory will be named and furnished by districts and individuals in Kansas as a result of meetings held during a recent tour of that state made by President Walter E. Bachman and Dr. H. H. Thomas, superintendent of the Kansas Conference.

Ten districts voted to seek to raise \$1000 in the district to name a room for or by the district, and to attempt to find at least one individual in the district who would name a room. Those districts are: Woodston, Concordia, LaCrosse, Salina, Mullinville, Hutchinson, Independence, Chanute-Iola, Kansas City and Topeka districts. Two other districts in Kansas have not yet met to discuss the matter.

Dr. Bachman discussed the four-fold plan for York College in the district meetings. This plan includes (1) A goal of 400 students, 3/4 of whom are from Evangelical United Brethren homes and churches throughout the western states; (2) Balanced budget with the provision by the churches of the Living Endowment Fund; (3) Greater York College Program which is the completion of the building and paying for it as it is being constructed; (4) Membership in the North Central Association of Colleges and Secondary Schools.

Besides speaking in these district meetings, Dr. Bachman spoke at a youth meeting at Winfield, at a Men's Brotherhood Night at Salina, at services at Alton and Ft. Scott, and for the Honors Day Service at the Coffeyville Junior College.

The tour was arranged by Dr. Thomas in a most competent manner and enthusiastically carried out under his guidance, according to Dr. Bachman, who stated that "without the thoughtful preparations and skillful management of Dr. Thomas the success of this tour would have been very greatly reduced."

## Lester Hazen Heads Alpha Psi Omega

### Elected at Recent Banquet

Lester Hazen, sophomore, The Dalles, Ore., was announced as next year's cast director of the Alpha Psi Omega, the campus national honorary dramatic fraternity, at their banquet on May 21. Fred Vorce, sophomore, Brookfield, Mo., will be student council representative.

"All the World's a Stage," was the theme of the banquet. Acting as toastmaster, James E. Koontz, department of music, used suitable Shakespearian quotations for all his introductions and acknowledgments. The seven ages of man, as found in "As You Like It," were explored by the speakers.

An unusual thought was behind the simplicity of the decorations, for which Doris Canon was committee head. Keeping expense here at a minimum, the fraternity was able to finance a CARE package for overseas relief.

## New Student Lounge To Be Named For Dean Charles Amadon

### Money to Be Donated by His Former Pupils

The Student Lounge in the new dormitory now being built on the campus will be named in honor of Dean Charles A. Amadon, head of the music department at York College for 34 years.

This room, which will be a center of student activity, is being named after the Dean by his former students. Lyle DeMoss, ex-'28, now head announcer over radio station, WOW, Omaha, has written letters to all of Dean Amadon's former pupils in which he tells why over 800 people are carrying out this project. He writes: "He has inspired us all with his optimism, his great heart, and his love for his students. . . The Dean always loved a good time and liked to be in the midst of his beloved students at student functions." Therefore students of Dean Amadon will perpetuate his memory in the rooms where students will be gathering. The project of completing and furnishing the room will cost \$10,000. At this writing, Dean Amadon is seriously ill with a heart ailment.

## "Different" Senior Day Is Promised This Year

### WASHINGTON MERRY-GO-ROUNDERS FAIL TO CATCH RINGS

Sometimes we wonder whether our foreign policy is being run by diplomats or by a roulette wheel.

Last fall in the U. N. our delegate recommended a partition plan to bring peace to the Holy Land. The plan was worked out; and was ready to be put in operation as soon as the British moved out.

Then just about a month ago President Truman suggested that since partition had brought peace not war—plans be held up, pending further consideration. However, it was known to the general public that the Arabs would not submit to the plan without a fight even before the plan was suggested. Is our State Department more poorly informed than the man in the street?

Then to create chaos out of disorder our government recognized the government of Israel as soon as it was formed.

But there is more. A note from Ambassador Smith to Foreign Minister Molotov, and the verbal message which was official policy, indicated that the U. S. was willing for high level talks to be attempted to end the "cold war".

Our State Department said that they didn't quite mean that they wanted talks; in fact, the meaning wasn't clear even to the State Department.

Then President Truman announced, as he had before, that he would be glad to meet Stalin in Washington.

When Stalin hinted that he would like to talk things over, our State Department announced that talks at this time would seem useless.

Does anyone know where we can find a few diplomats? They don't have to be good; all they have to do is to say either yes or no, and say it consistently.

—Warren Porter..

### TO OUR ADVERTISERS

A business firm grows and prospers according to the number of people it can attract. Advertising is a means of reaching those people. This year through the "Burr", our 250 students read your advertisements in each issue and became better acquainted with you. Thus we both gained materially. But we gained even more by the spirit of cooperation and friendliness that was generated through contact with each other.

As retiring business manager, I wish to express my gratitude to you for your cooperation in making this a successful year.

—Gerald Edgar.

### FOR WHOM THE BELLS RING . . .

This summer is another busy season for "Dan Cupid" and York College. Numerous "deals" have been put through and will go into effect during the summer months.

Mary Alice Riggs, '49, and Max Allen, '47, will come to a settlement on June 18 in Ames, Iowa. Future data on this case can be obtained from Bonebrake Seminary after July.

The date of the foreclosure on the Jasmine Ingraham-Lee Miller case has been announced as "August Late".

Contracts have been drawn up for Eunice Herrick, '51, and Charles Dowley to be signed June 20.

Lester Hazen, '50, is pressing his suit with Gwen Wade, '50, and opened his case by giving her a ring during the college chorus trip in May. The final decree will be signed in August.

Mrs. Ruth Auchard, '46, assistant in English, will file her case in Boulder, Colo., with Henry A. Bamman on June 12.

Another faculty member, Mary Miller, '45, is calling for witnesses for her case with J. Hill Anglin, '47, on August 17 at Dawson.

From evidence gathered on the campus the following statement can be made: There will be a final hearing on the case of Gerald Main, '51, and Glendna Jamison on July 11 at Woodward, Okla.

The Sandburr staff wishes to extend congratulations to all the participants of these transactions!

### In Memoriam . . .

#### FUNERAL NOTICE . . .

We regret to announce that The Register has succumbed to its fatal affliction of inertia. Funeral 'Writes' were held recently in the editor's room, with due ceremony.

#### OBITUARY . . .

The life work of the Register consisted of evesdropping and reporting the gossip of Y. C. students around the Register in the main hall of the Ad. Building. For a long time it has been too feeble to maintain ample coverage of this news. The exact date of its birth has not been recorded but it has lived to a ripe old age, having far outlived all relatives and having but few friends left.

#### Last Will and Testament:

"I, the Register, being of sound paper and in my right print do hereby declare that I leave my puns for Prof. Koontz's "pun-ishment". To Miss Callender's English Lit students I leave my poor poetry knowing well that they can appreciate it. My sage wisdom and timely advice I leave to Mrs. Luper. She'll need it. My verbosity I leave to 'Silent Sarg. Elloe' and my ability at an understanding of sports, I leave to Jean Schneider. Understanding of teachers, I leave to Louie Rachow and Ethel Brooks. I leave!

#### Tombstone Inscription:

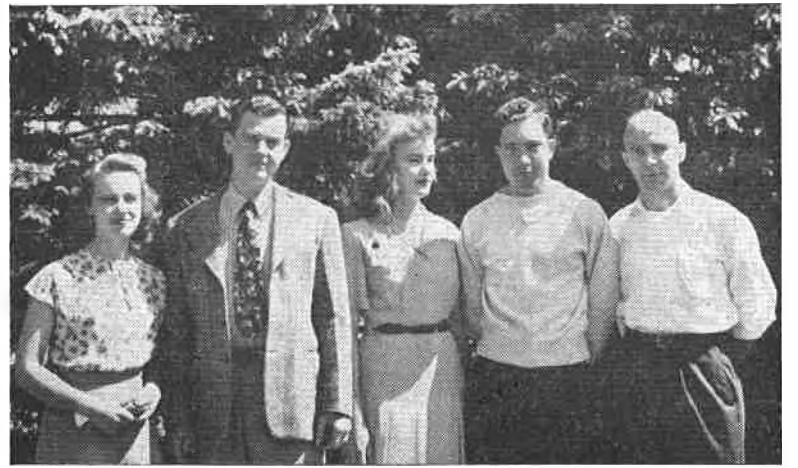

"Here Lies the Register . . . As Usual."

### This One's True . . . Now You Tell One!!

Elton Brooks, brother of Ethel Brooks, senior, Cedar Rapids, Ia., was hitch-hiking to York to visit. Just out of Des Moines, Ia. a young motorist stopped and invited Elton to get into the car. He explained that the owner of the car, now asleep in the back seat, had given him a ride some miles back and would probably not object to another passenger.

When the owner of the car awoke later, the three proceeded to introduce themselves. The owner was a man by the name of Brooks. The young man driving the car was also named Brooks. Elton made the third Brooks, all unrelated and unacquainted. After all exclamations were over, the owner of the car, Mr. Brooks, and the young driver, Mr. Brooks, curled up and went to sleep and Elton, Mr. Brooks, drove on to Fairmont.

## Seniorities

Left to right: Iona Taylor, George Swartz, Joan McCormick, Carvel Holt, Richard Van Pelt.

On the last lap . . . Yes, these five seniors are on the last lap of their college career. Of the five pictured, three of them started in the fall of '44. These starters are Mrs. Joan Schark McCormick, Mrs. Iona Shaw Taylor, and George Swartz. The other two, Carvel Holt and Dick Van Pelt, resumed their college career after serving in World War II.

All of these seniors are members of campus organizations. Carvel and Dick are members of the Y Club. Iona is past president of PALS, a member of Alpha Psi Omega, and Y. W. C. A. Joan is a Zeta. George belongs to PALS, Y. M. C. A. and Life Work Recruits.

Teaching is the profession chosen by three-fifths of them. George, Dick, and Iona will teach next fall. Joan has given up her plans to teach to become a housewife. Carvel will enter the field of medicine.

Outside interests of these graduates are varied. Joan is interested in furnishing her home. Iona is a drama and music enthusiast, to say nothing of preference for mathematics professors—one in particular, that is. Dick is a family man. His lively young daughter keeps him on the run. Carvel spends most of his time in a chemistry "lab" or with Pan. He often is confused—with his twin brother, that is. George likes to travel.

## TENNIS AND GOLF TEAMS TRIUMPH

### GOLFERS SWEEP ALL HONORS

#### ELOE FIRES 82, COPS MEDALIST

Paced by the ever-dependable "Sarge" Eloie, the York Panthers emerged victorious in the Nebraska College Conference golf meet as they garnered all available honors. Driving with unerring accuracy in the 40 mile per hour wind, "Sarge" showed the value of experience as he covered the 6538 yard course with 82 strokes.

The Panthers' team total was 369 strokes as all four golfers finished among the top seven golfers in the meet. Hastings, paced by Hughes' 89 stroke effort, copied second place honors, as Midland secured third led Brown who shot an 87 to qualify as runner-up for medalist.

York golfers Schneider, Bason, and Meehan toured the course in the nineties with Meehan justifying his number two spot on the team by bettering the other two by one stroke with a 95 stroke total.

By team totals the Y. C. grasscutters were easy 10 point victors as they blasted out a low total of 369. Hastings scored a 379 while Midland trailed with a 386.

### Kearney Cops NCC Track Meet

The conference track meet held at Nebraska Wesleyan University in Lincoln was dominated by the power-laden team from Kearney State Teachers College as they rolled to a total of 57 points as compared with 39 for Chadron, their nearest rival.

Two Panthers garnered first place laurels as Don Watson displayed his mastery of the gruelling two-mile run by winning the event in 10:50.2, and Glen Shaneyfelt unlimbered his "buggy-whip" arm to bullet the discus 128 feet, 8 inches into a strong wind.

Other Panther pointgetters were Floyd Gifford 2nd in the pole vault, Denny Auchard, 3rd in the 440 yard dash, and the one mile relay team composed of Medsker, Snow, Hedrick, and Auchard, 5th.

Harold Walker, defending two mile champion, saw his record stand although he was forced to quit the race because of a knotting of the stomach muscles.

Except for the Antelopes, the scoring was rather close as Doane finished third with 36½; Nebraska Wesleyan, fourth, 30; Wayne, fifth, 27½; Hastings, sixth, 23½; York, seventh, 18½; Midland, 5½; Peru, 5.

Four new records were established as Harvey Stoud, Kearney 220 and 440 yd. dash man, led the champions in their romp. Stroud strode through the 440 in record time of :50.8, Shipman of Doane helped himself to a lion's share of honors as he won both the pole-vault and javelin events with record shattering performances. His vault of 12 feet, 11¼ inches, bettered the old mark by 11¾ inches, while his javelin heave of 181 feet, 10½ inches added 12 feet to the NCC record of old.

Elton Brooks, Cedar Rapids, Ia., brother of Ethel Brooks, senior, was a campus visitor several days last week.

A new constitution, now awaiting the approval of the faculty, has just been formed by the executive committee for the Pantherettes, according to Doris Jean Canon, president. The new constitution, if accepted, will be ready for use this fall.

### Y Club Dates And Initiates

The date picnic and the Y club initiation shared the attention of Panther letterwinners as the organization crowded two meetings into the busy closing days of the school year.

The initiation was held on the bank of the Blue river near McCool Junction and initiates Don Erfourth, tennis, Stan Hedrick, track, Galen Munsinger, basketball, Darwin Newton, and Eugene Weaver, both track, testified to the hilarity of the evening's entertainment and the desirability of the evening's menu.

### THE CHAMPS . . .

Left to right: Fred Vorce, E. P. Worthington, Don Erfourth, Bob Gillespie, Tennis Team; Don Watson, 2 mile; Glen Shaneyfelt, discus; Aully Holst, Glen Eloie, Bill Meehan, Bob Schneider and Dick Bason, Gold Team.

### HI-LAIR-ITIES

By the Sports Editor

Another sports year is ended and in retrospect the statistics show one championship team, one co-championship aggregation and three combinations that failed to place in the first division ratings of conference competition. It's not very good, perhaps, but definitely better than some larger colleges in the conference can claim.

In all events of the sports year we have shown determination and fighting spirit, and superior reserve strength significantly proved to be the rule rather than the exception in Panther defeats.

However, much more is embodied in a year's competition than a won-lost record. Yes, it is pleasant to win and receive the praise and admiration that accompanies it; however, great lessons are learned from the setbacks and seemingly ignominious defeats that can be learned only by giving one's best with teammates and realizing that it fell short. The fellowship of teammates, coaches and students is often times tested through poorer seasons, and this year's student body responded with unabated cheers and encouragement.

The proving ground for Y. C. athletes and student body was the unfortunate injury of Dick Panches, Doane all-round athlete, in the York-Doane football game. This we point to with pride. The response was indicative of Y. C. spirit, and a fine athlete established himself as a finer man while a loyal student body repaid Panther gridiron efforts in one great act; an act of sportsmanship and warm humaneness that assured a successful year of athletic competition.

ATTENTION, SPORTS EDITOR, DOANE OWL:

In relationship to your predictions concerning the NCC track meet, I wish to point out that York College won two first and finished only 11½ points behind the third place Doane Tigers.

—F. Vorce, sports editor.

### TENNISERS WIN TIE

#### ERFOURTH, VORCE DOUBLES RUNNER-UP

Displaying depth and balance, the Y. C. tennis team fought their way to a first place tie with the Warriors of Midland in the NCC tennis meet held at Nebraska Wesleyan University. Gillespie and Worthington paced the Panthers toward their co-championship title with four points each, while Erfourth and Vorce combined to salvage six points as they forced their way into the finals of the doubles competition before dropping to the crack doubles team of Nicholson and McKinny from Kearney State Teachers College.

A strong wind hampered the defending singles champion, Gillespie, as he had difficulty controlling his pin point placements. However, he downed Marek of Doane and Byrum of Kearney before dropping in three sets to Chrisman of Midland in the semi-final round of play. "Eepy" Worthington also blasted his way into the semi-finals by downing Alcokes of Doane and Stiver of Hastings before succumbing to the blistering drives of "Ham" Manzel of Midland who went on to claim the singles championship as he met teammate Chrisman in the finals.

The York doubles team of Erfourth and Vorce slid past Wesleyan in the opening round of play and then forced the Wayne doubles team to submission in three sets before dropping to the Antelopes in the finals.

By team totals York and Midland deadlocked with 14 points each as Kearney followed closely with the nine tallies and Hastings trailed with four.

### New System of Chapels to Be Introduced
