Soul Quest is a camp that has enjoyed amazing growth over the past 5 years. We owe that success to the sponsors that not only bring students to camp, but also serve the camp through filling important roles throughout the week. For sponsors serving as teachers, nurses, and canteen workers we are able to provide meals and housing for you. For others that are coming, we will make every effort to find accommodations for you as well. However, our housing space for support staff is very limited. Also, we are asking for all sponsors who are not filling the roles listed above to chip in and pay for their meals if they eat at camp. A meal wristband can be bought at registration for \$85 (includes 3 meals a day).

What responsibility have you been asked to fill at camp?
