Change of Plans Policy

What happens to my Study Abroad application fee?

The application fee is non-refundable and is held for you and applied to the costs of your participation in the York College Study Abroad Program. If you cancel your participation, you will forfeit your application fee and you will be responsible for all expenses that we accumulate on your behalf. This can include deposits, travel tickets and other non-recoverable expenses.

Can I switch from one year to another?

Yes, you can. We charge a \$50 fee to do this. You should pay this at the York College Business Office.

What if I have to drop out of a program because of health reasons?

Please discuss this with the Provost. Such situations are handled on a case-by-case basis. Communication with your physician about your situation may be requested.
